(b) Method of Acquisition.

The Applicants intend to acquire the life and investments businesses of Safeco Corporation (the "Seller") through the acquisition of control of the Insurers (the "Proposed Acquisition") and the other subsidiaries of the Seller listed together with the Insurers on Exhibit 1 hereto (the "Acquired Companies") at the closing of the acquisition of the Acquired Companies (the "Closing"). The Proposed Acquisition will be effected pursuant to a Stock Purchase Agreement, dated as of March 15, 2004, by and among the Seller, a Washington corporation, General America Corporation, a Washington corporation and a wholly owned subsidiary of the Seller, White Mountains Insurance Group, Ltd., a company existing under the laws of Bermuda ("WTM"), and Occum Acquisition Corp., a Delaware corporation ("Occum"). A copy of the executed Stock Purchase Agreement is attached hereto as Exhibit 2. The Acquired Companies include American States Life Insurance Company (Indiana) and First Safeco National Life Insurance Company of New York (collectively referred to herein as the "Non-Domiciliary Insurers"), which are two additional U.S.-domiciled life insurance subsidiaries of Safeco Life. A listing of the Non-Domiciliary Insurers together with the Insurers is attached hereto as Exhibit 3. Contemporaneously with the filing of this statement, the Applicants are filing applications for approval of the acquisition of control of the Non-Domiciliary Insurers with the Insurance Commissioners of Indiana and New York and are also filing an application for approval of the acquisition of control of Safeco Life with the Insurance Commissioner of California. For an overview of the current organization and corporate structure of WTM and its subsidiaries, please refer to the chart attached hereto as Exhibit 4 ("Current Structure of White Mountains"). For an overview of the organization of the Applicants and all affiliates of the Applicants following the acquisition of the Acquired Companies, please refer to Exhibit 5 ("Structure of the Applicants as of the Closing"). All Exhibits attached hereto are incorporated herein by reference as if fully set forth.

Occum is a holding company that has been formed for the purpose of effecting the acquisition of the Acquired Companies and it is owned by an investor group (the "Equity Investors") led by WTM and Berkshire Hathaway Inc. ("Berkshire Hathaway"). WTM proposes

to hold its investment in Occum through White Mountains Re Group, Ltd., a company existing under the laws of Bermuda and a wholly owned subsidiary of WTM ("White Mountains Re"; and together with WTM collectively referred to herein as "White Mountains"). White Mountains may position all or a portion of its investment in Occum in one or more of its wholly owned subsidiaries in the normal course of managing its investment portfolio. Occum will acquire the Acquired Companies for $1.35 billion, subject to adjustment based on the June 30, 2004 adjusted statutory book value of the Non-Domiciliary Insurers and the Insurers. The purchase price will be adjusted up or down on a dollar-for-dollar basis to the extent that the adjusted statutory book value of the Non-Domiciliary Insurers and the Insurers is greater than or less than $1.15 billion. Occum will be capitalized with equity of approximately $1.065 billion with White Mountains and Berkshire Hathaway each investing $200 million. White Mountains and Berkshire Hathaway are also receiving warrants to purchase additional common shares of Occum. On a fully converted basis (assuming the exercise of warrants held by White Mountains and Berkshire Hathaway), White Mountains and Berkshire Hathaway will each own approximately 24% of Occum. As discussed in Item 2(c) below, a Disclaimer of Affiliation with regard to Berkshire Hathaway will be filed with the Commissioner promptly following the filing of this statement. The other Equity Investors will invest an aggregate of approximately $665 million, but no Equity Investor other than White Mountains or Berkshire Hathaway will own 10% or more of the voting securities of Occum on a fully converted basis. Attached hereto as Exhibit 6 is a list of the Equity Investors. Occum has also secured a senior unsecured revolving credit facility of up to $400 million. At Closing, it is anticipated that Occum will borrow approximately $300 million against this facility to fund the purchase price and transaction-related expenses.

The Applicants do not currently intend to make any material changes to the operations or management of the Insurers following consummation of the Proposed Acquisition. The

Applicants also seek the approval of the Commissioner for the other transactions described in this statement to the extent that such transactions may require such approval under the Washington Insurance Code.

ITEM 2. IDENTITY AND BACKGROUND OF THE APPLICANTS

(a) Name and Business Address.

The name and principal business address of each of the Applicants is:

Occum Acquisition Corp.
370 Church Street
Guilford, CT 06437

White Mountains Insurance Group, Ltd.
80 South Main Street
Hanover, NH 03755

White Mountains Re Group, Ltd.
80 South Main Street
Hanover, NH 03755

(b) The Applicants' Business Operations.

(i) **Occum Acquisition Corp.** Occum, a Delaware corporation, was formed on behalf of the Equity Investors on February 25, 2004 for the purpose of effecting the acquisition of the Acquired Companies.

(ii) **White Mountains Insurance Group, Ltd.** WTM was originally formed as a Delaware corporation in 1980. In October 1999, WTM completed a corporate reorganization that changed its domicile from Delaware to Bermuda. WTM's principal businesses are conducted through its subsidiaries and affiliates in the business of property and casualty insurance and reinsurance. The common shares of WTM are listed on the New York Stock Exchange and the Bermuda Stock Exchange under the symbol "WTM".

(iii) **White Mountains Re Group, Ltd.** White Mountains Re, a Bermuda company, was formed by WTM on March 17, 2003 as an insurance holding company to own and hold certain of its investments in insurance and reinsurance subsidiaries.

(c) Organizational Chart.

Exhibit 5 contains a chart presenting the identities of, and interrelationships among, the Applicants and all affiliates of the Applicants as of the Closing. Such chart indicates the percentage of voting securities of each such person which is owned or controlled by the Applicants or by any other such person. Unless otherwise indicated, control of all such persons is maintained by the ownership or control of voting securities. Such chart indicates the type of organization and the jurisdiction of domicile of each person specified therein. No court proceedings involving a reorganization or liquidation are pending with respect to any such person.

(i) Occum.

As of the Closing, no person will own ten percent or more of the voting securities of Occum other than as set forth below:

White Mountains will own approximately 18.8% of the 10,649,000 common shares of Occum expected to be outstanding as of the Closing (the "Occum Common Shares") and will also hold warrants to purchase 1,090,560 additional Occum Common Shares. Upon the exercise of all of the warrants to purchase additional Occum Common Shares, White Mountains' percentage interest in Occum would be increased to approximately 24% on a fully converted basis.

As of the Closing, Berkshire Hathaway will own approximately 18.8% of the Occum Common Shares and will also hold warrants to purchase 1,090,560 additional Occum Common Shares. Upon the exercise of all of the warrants to purchase additional Occum Common Shares, Berkshire Hathaway's percentage interest would be increased to approximately 24% on a fully converted basis.

Franklin Mutual Advisers, LLC, through a number of its mutual funds (collectively, "Franklin"), will own approximately 11.7% of the Occum Common Shares as of the Closing. Franklin's holdings will be reduced to less than 10% if White Mountains and Berkshire Hathaway exercise the above-referenced warrants.

Berkshire Hathaway and Franklin are passive investors in Occum and have no intention or power to direct or cause the direction of the management and policies of Occum. No individual affiliated with Berkshire Hathaway or Franklin will hold any of Occum's board seats or officer positions and no contract or agreement exists granting Berkshire Hathaway or Franklin any contractual power to direct the management and policies of Occum. In addition, Franklin is also dispersing its investment in Occum across several of its funds, none of which individually will own 10% of the voting securities of Occum. Furthermore, Franklin will own less than 10% of Occum if White Mountains and Berkshire Hathaway exercise the above-referenced warrants to purchase additional Occum Common Shares. Accordingly, the Applicants believe that neither Berkshire Hathaway nor Franklin is, or will be, upon the completion of the Proposed Acquisition, in "control" of Occum. Disclaimers of Affiliation with regard to Berkshire Hathaway and Franklin will be filed with the Commissioner under separate cover promptly following the filing of this statement.

(ii) White Mountains Insurance Group, Ltd.

No person owns ten percent or more of the voting securities of WTM other than as set forth below:

As of February 27, 2004, Berkshire Hathaway held warrants (the "Berkshire WTM Warrants") to purchase 1,724,200 common shares of WTM (the "WTM Common Shares"). These warrants would represent 16.0% of the WTM Common Shares on a fully diluted basis if fully exercised. Berkshire Hathaway currently has no voting rights with respect to any class of voting securities of WTM as the warrants do not have voting rights until exercised.

Franklin was holder of record of 1,970,933 WTM Common Shares as of February 27, 2004. Franklin's holdings represented 21.8% of the total WTM Common Shares outstanding

(9,017,795 as of February 27, 2004). Franklin's holdings will be reduced to 18.3% if the Berkshire WTM Warrants are exercised.

As of February 27, 2004, John J. Byrne owned approximately 11.5% of the total WTM Common Shares outstanding (9,017,795 as of February 27, 2004). Mr. Byrne's percentage interest will be reduced to 9.7% if the Berkshire WTM Warrants are exercised. Mr. Byrne is a director of WTM and will become a member of the Occum board of directors immediately prior to the Closing.

The WTM Bye-laws provide that the voting rights of any shareholder of WTM with respect to the election of WTM's directors are limited to 9.9%. Accordingly, the Applicants believe that neither Mr. Byrne, Berkshire Hathaway nor Franklin is, or will be, upon the completion of the Proposed Acquisition, in "control" of WTM. Disclaimers of Affiliation with regard to Mr. Byrne, Berkshire Hathaway, and Franklin will be filed with the Commissioner under separate cover promptly following the filing of this statement.

(iii) White Mountains Re Group, Ltd.

White Mountains Re is a wholly owned subsidiary of WTM and as such no person owns ten percent or more of the voting securities of White Mountains Re other than WTM.

ITEM 3. IDENTITY AND BACKGROUND OF INDIVIDUALS ASSOCIATED WITH THE APPLICANTS

Set forth in Exhibit 7 are the names of the individuals who are currently directors and executive officers of the Applicants. Biographical affidavits completed by the named individuals are attached hereto as Exhibit 8. None of such persons has been convicted in a criminal proceeding (excluding minor traffic violations) during the last ten years. The expected directors and executive officers of Occum as of the Closing are set forth in Item 1(b) above. To the extent that biographical affidavits for the individuals set forth in Item 1(b) above are not included in Exhibit 8, the Applicants will promptly provide biographical affidavits completed by such officers and directors as soon as they are available.

ITEM 4. NATURE, SOURCE AND AMOUNT OF CONSIDERATION

(a) Consideration.

The aggregate consideration to be paid by Occum for the Acquired Companies will consist of cash in an amount equal to $1.35 billion, subject to adjustment based on the June 30, 2004 adjusted statutory book value of the Non-Domiciliary Insurers and the Insurers. The purchase price will be adjusted up or down on a dollar-for-dollar basis to the extent that the adjusted statutory book value of the Non-Domiciliary Insurers and the Insurers is greater than or less than $1.15 billion. Occum expects to fund the foregoing cash requirements with proceeds from the following transactions:

- $1.065 billion from the proceeds of an issuance of Occum Common Shares by Occum to the Equity Investors; and

- Up to $400 million principal amount senior unsecured revolving credit facility (the "Revolving Credit Facility") to Occum from a syndicate of lenders arranged by Bank of America Securities LLC ("BAS") and Fleet Securities, Inc. ("FSI") as joint lead arrangers.

These sources of financing are further described below:

(i) **Occum Common Shares.** Pursuant to separate subscription agreements, dated as of March 8, 2004, by and between Occum and each of the Equity Investors (collectively referred to herein as the "Subscription Agreement"), Occum will issue and sell the Occum Common Shares to the Equity Investors two days prior to the Closing at a purchase price of $100.00 per share. As detailed above, White Mountains and Berkshire Hathaway will each purchase 18.8% of the Occum Common Shares and Franklin will purchase 11.7% of the Occum Common Shares. No other Equity Investor will purchase 10% or more of the Occum Common Shares. Attached hereto as Exhibit 9 is a copy of the Form of Subscription Agreement. The parties to the Subscription Agreement have also entered into the Shareholders Agreement (the "Shareholders Agreement"), dated as of March 8, 2004, which establishes certain terms and conditions upon which the Occum Common Shares (including common shares of Occum issued upon conversion, exchange or exercise of any portion, warrant or other security) will be held, including provisions restricting the transfer of the Occum Common Shares, providing certain registration rights and providing for certain other matters. Attached hereto as Exhibit 10 is a copy of the Form of Shareholders Agreement.

In addition to the Occum Common Shares, Occum will issue to each of White Mountains and Berkshire Hathaway warrants to purchase 1,090,560 Occum Common Shares (the "Occum Warrants") at an exercise price of $100.00 per share (the "Exercise Price"). The 2,181,120 Occum Warrants would represent approximately 17% of the Occum Common Shares on a fully converted basis. The Occum Warrants expire on the tenth anniversary of their issuance, which issuance will occur immediately prior to the Closing. In order to prevent dilution, the Exercise Price shall be subject to adjustment from time to time; *provided, however,* that under no circumstances will the Exercise Price be less than the current par value of any share to be issued under the Occum Warrants. The warrant holders will be signatories to the Shareholders Agreement and shall have the rights set forth in the Shareholders Agreement with respect to the Occum Warrants and any shares to be issued under the Occum Warrants. Attached hereto as Exhibit 11 is a copy of the Form of Occum Warrant.

(ii) **Revolving Credit Facility.** Borrowings by Occum under the Revolving Credit Facility will be made as of the Closing in the amount of approximately $300 million with approximately $290 million to fund the purchase price and approximately $10 million to fund transaction-related expenses. A syndicate of lenders, including Bank of America and Fleet National Bank, is to be selected by BAS and FSI and shall be reasonably acceptable to Occum. The Revolving Credit Facility provides for a $350 million revolving loan facility, which may be increased at Occum's option, at or following the Closing, to a maximum of $400 million. The Revolving Credit Facility will have a maturity date of five years from the date of the closing under the Revolving Credit Facility and will be

unsecured (no assets or stock of any entity, including the Insurers, will be pledged). Attached hereto as Exhibit 12 is the BAS/FSI term sheet describing the Revolving Credit Facility.

(b) Arms Length Negotiation.

The nature and amount of the total consideration to be paid in connection with the acquisition of the Acquired Companies were determined by arms length negotiation among the parties to the Stock Purchase Agreement.

(c) Confidential Treatment of Lenders' Identity.

As detailed above, the Revolving Credit Facility will consist of loans made in the lenders' ordinary course of business and the Applicants therefore request that the identity of the lenders be kept confidential.

ITEM 5. FUTURE PLANS OF INSURERS

Other than as described herein, the Applicants have no present plans or proposals: (i) to cause the Insurers to declare an extraordinary dividend; (ii) to liquidate the Insurers; (iii) to sell any assets of the Insurers (other than such sales of assets as may be contemplated in the ordinary course of the Insurers' businesses); (iv) to merge the Insurers with any person or persons; or (v) to make any other material change in the Insurers' business operations, corporate structure, or management.

The Applicants have structured the transaction to maximize stability and continuity for all affected key constituencies. No material changes in the Insurers' management are contemplated. The Applicants intend to replace the Seller's members of the Insurers' board of directors with individuals from the investor group. To the extent that biographical affidavits for such individuals are not included in Exhibit 8, the Applicants will promptly provide biographical affidavits completed by such individuals as soon as they are available. The Insurers will operate as stand-alone business units with distinct management.

White Mountains may position all or a portion of its investment in Occum in one or more of its wholly owned subsidiaries in the normal course of managing its investment portfolio. This repositioning will not have any effect on White Mountains' ultimate controlling interest in the Insurers.

ITEM 6. VOTING SECURITIES TO BE ACQUIRED

Occum will acquire 20,000 shares of common stock of Safeco Life, which represents 100% of the issued and outstanding shares of capital stock of Safeco Life. By acquiring 100% of the issued and outstanding shares of capital stock of Safeco Life, Occum will also acquire indirect ownership of 100% of the issued and outstanding capital stock of Safeco National Life. The terms of the Stock Purchase Agreement and related documentation are described above. Also, as described above, the nature and amount of the total consideration to be paid in connection with the acquisition of the Acquired Companies were determined by arms length negotiation among the parties to the Stock Purchase Agreement.

ITEM 7. OWNERSHIP OF VOTING SECURITIES

None of the Applicants or any persons as identified in Item 3 holds of record or beneficially owns or has a right to acquire of record or beneficially, directly or indirectly, any equity securities of the Insurers. None of the Applicants or any persons as identified in Item 3 has any interest in any other securities of the Insurers, including its notes, bonds, and other corporate obligations.

ITEM 8. CONTRACTS, ARRANGEMENTS, OR UNDERSTANDINGS WITH RESPECT TO VOTING SECURITIES OF THE INSURERS

Except as provided in the Stock Purchase Agreement and as set forth in this statement, there are no contracts, arrangements, or understandings directly or indirectly relating to any securities of the Insurers involving any Applicant, its affiliates, or any person identified in Item 3, including but not limited to transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies.

ITEM 9. RECENT PURCHASES OF VOTING SECURITIES

There have been no transactions during the twelve calendar months preceding the filing of this statement in any securities of the Insurers which were effected by the Applicants, their affiliates, any person identified in Item 3 or by their respective executive officers and directors.

ITEM 10. RECENT RECOMMENDATIONS TO PURCHASE

There have been no recommendations to purchase any voting security of the Insurers made by the Applicants, any person identified in Item 3, or by anyone based upon interviews or at the suggestion of the Applicants, or any person identified in Item 3 during the twelve calendar months preceding the filing of this statement.

ITEM 11. AGREEMENTS WITH BROKER-DEALERS

The Applicants have not entered into any agreement, contract, or understanding with any broker-dealer as to solicitation of voting securities of the Insurers for tender.

ITEM 12. FINANCIAL STATEMENTS AND EXHIBITS

(a) Financial Statements.

Attached hereto as Exhibit 13 are the White Mountains Annual Reports on Form 10-K for the years ended 1999-2003. The White Mountains financial statements for the quarter ended March 31, 2004 are not yet available. The enclosed financial statements are prepared on a consolidated basis.

Occum does not have any financial statements as it was formed for the purpose of effecting the acquisition of the Acquired Companies.
