

PRE-LICENSING PROVIDER LIST

WAC 284-17-510 requires each applicant for a resident's license as a life, disability, property, or casualty insurance agent or solicitor, to complete 16 hours of instruction per line of insurance as a prerequisite for admission to the examination. Additionally, four hours of instruction relating to Washington's general statutes and regulations governing the sale of insurance is required.

A list of approved pre-licensing insurance education schools is attached. This listing is current as of **November 1, 2008**.

Any person who believes that a pre-license insurance education school is unavailable to her or him may file a written petition with the commissioner for permission to undertake self-study. Permission will be granted based on the course availability by an independent pre-license provider located within the State of Washington.

Questions regarding pre-licensing should be addressed to Joe Mendoza at POB 40257, Olympia, WA 98504-0257, via e-mail at joem@oic.wa.gov or by phone at (360) 725-7146.

Be sure you receive a separate certificate of completion for each line of insurance, and for the statutes/regulations.

L/D/R indicates the fee for Life, Disability, and the Regulations class.

P/C/R indicates the fee for Property, Casualty, and the Regulations class.

When you have completed the required pre-licensing education classes, contact Pearson VUE at 1-800 274-8949 to schedule your examination(s).

Fingerprinting is a required as part of the licensing application. It is recommended that you have your fingerprints taken at the Pearson VUE test center if you will be testing at Lacey/Olympia, Tukwila/Seattle, Everett, Spokane, Vancouver, or Kennewick. (See attached flyer)

NOTICE TO CANDIDATES

Pearson VUE will offer electronic fingerprinting at the following assessment centers:

- Lacey/Olympia
- Tukwila/Seattle
- Spokane
- Vancouver
- Everett
- Kennewick
- Yakima

The fingerprints will be printed on the FD-258 card required when applying for licensure. There are many advantages to electronic fingerprinting over wet-ink fingerprinting, as electronic fingerprinting is:

- Convenient as it is available in the Pearson VUE Assessment Center immediately after candidates pass the exam
- An accurate, efficient, clean process with no wet ink or residue
- A way of producing distinct, high-quality prints
- In accordance with existing FBI and IAFIS requirements for live-scan imaging and therefore has a low rejection rate

Candidates who choose to be fingerprinted electronically must pay a \$15.00 fee at the assessment center. Payment for electronic fingerprinting must be in the form of a certified check, cashier's check or money order made payable to "Pearson VUE". Cash, personal checks and credit cards will NOT be accepted at the assessment center. This fee must be paid separately from the examination fee; single payments that cover more than one fee or one candidate will not be accepted.
