Re: In the Matter of Stefan E. Johannsson, Licensee
Docket No. D09-0153

Dear Mr. Brown:

I received a telephone call from Mr. Johannsson just after the conclusion of the hearing today in the above-referenced matter. He was under the mistaken impression that the hearing was still set for May 7, 2010, which was the date chosen during the prehearing conference on April 8.

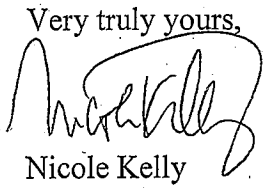
Mr. Johannsson recalled our phone conversation of April 9 resetting the hearing to May 3, but asserts that he did not receive the Notice of Hearing sent on April 26, 2010. In our telephone conversation today, I verified with Mr. Johannsson that the address on file is correct and noted that no mail was returned, and I advised him of his right to reconsideration, pursuant to RCW 34.05.470.

Because a final order has not yet been issued, I suggested that he send a written request to you, with a copy to Judge Petersen, stating the specific grounds upon which relief is requested and asking for the opportunity to rectify the situation.

If a letter from Mr. Johannsson is not received by the Hearings Unit within 10 days of the date of this letter, Judge Petersen will proceed in issuing the Findings of Facts, Conclusions of Law and Final Order which, of course, will only include the evidence presented at hearing today and will not include any evidence which Mr. Johannsson might have presented, pursuant to the warning about default included in the Notice of Hearing herein.

If a letter from Mr. Johannsson is received within 10 days of the date of this letter, we will wait another five days to hear whether the OIC intends to try again to reach a settlement with Mr. Johannsson or wishes Judge Petersen to proceed with entry of the Findings of Facts, Conclusions of Law and Final Order (which will of course allow Mr. Johannsson ten days after entry of the Order to request reconsideration of the Order).

Very truly yours,



Nicole Kelly
