

**OFFICE OF
INSURANCE COMMISSIONER**

July 2010

Dear Washington State Legislator:

Enclosed is our latest report to the Legislature (June 2010) on the work of the Holocaust Survivors Assistance Program. This report contains information concerning the payment of Holocaust-era insurance claims to Washington survivors and their heirs.

As you may know, the International Commission of Holocaust Era Insurance Claims (ICHEIC) closed their operations in 2007. Since then, we have continued to help settle Holocaust-era insurance claims, focusing our attention on money owed to our claimants by the Austrian Settlement Fund. The attached report details our success to date.

If you have questions about the program or our ongoing work, please contact my office at 1-800-562-6900 and ask for Chris Bauer.

Sincerely,

A handwritten signature in black ink that reads "Mike Kreidler".

Mike Kreidler
Insurance Commissioner
