Additional Information

This list is intended as an overview of Medicare Advantage plans available by county. There are many factors to consider before you enroll in a plan. For detailed information about plan benefits and costs, contact the plan. Plans can offer extra benefits. Most Medicare Advantage plans offer coverage for things that aren't covered by Original Medicare, like vision, hearing, dental and wellness programs (like gym memberships). Plans can now also cover more extra benefits than they have in the past, including services like transportation to doctor visits, over-the-counter drugs, adult day-care services, and other health-related services that promote your health and wellness. Check with the plan to see what benefits are offered and if you qualify.

Need help? For consumer tips before you buy a Medicare Advantage plan, call our Insurance Consumer Hotline at 1-800-562-6900 and ask to speak with a SHIBA counselor in your area.

Types of Medicare health plans

- **Local HMO:** A Health Maintenance Organization available in certain counties only. You generally must get your care and services from doctors, other health care providers, or hospitals in the plan's network (except emergency care, or out-of-area urgent care).
- **Local PPO:** A Preferred Provider Organization available in certain counties only. In most PPOs, you pay less if you use doctors or hospitals, and other providers that belong to the network. For an added cost, you can use out-of-network doctors, hospitals, and other providers.
- **SNP:** A Special Needs Plan (SNP) provides benefits and services to people with specific diseases, certain health care needs, or limited incomes.
 - **Dual Eligible:** Has both Medicare and Medicaid
- **PACE:** Programs of All-inclusive Care for the Elderly (PACE) PACE is a Medicare and Medicaid program that allows people who otherwise need a nursing home-level of care to remain in the community.
