STIPULATION BY LICENSEE

Jessica E Tipton, ("licensee") hereby stipulates to the payment of a fine in the amount of \$500.00 based on the following facts which are hereby acknowledged. Licensee further stipulates and agrees that she will comply with Washington insurance laws and regulations in the future.

1. The Commissioner sent the licensee written inquiries on October 28, 2009, and December 10, 2009 to the address on file with the Office of the Insurance Commissioner (OIC).
2. On January 11, 2010, a certified letter was mailed to the address on file with the OIC. The signed delivery receipt shows that the certified letter was signed for on January 26, 2010.
3. These inquiries were related to the business of insurance requesting replacement fingerprint cards. The licensee did not respond to any of them. Each such failure to respond within fifteen business days violated RCW 48.17.475.
4. An order revoking the licensee's Washington insurance license was mailed on February 12, 2010 with an effective date of March 4, 2010.
5. The licensee contacted OIC on March 5, 2010. As a result of this contact, an agreement was reached to provide the requested document and pay the fine.

The licensee has engaged in practices that are not in accord with the standards set out in the insurance code of Washington. Accordingly, the licensee enters this Stipulation to the following Order voluntarily and with the understanding that such fine is in lieu of the revocation of his insurance license for said conduct. The licensee further stipulates and agrees that she will promptly respond to future inquiries from the Commissioner, that a failure to respond within fifteen business days from receipt of an inquiry will be considered untimely and a violation of RCW 48.17.475, justifying revocation of the licensee's license and that the facts described above and the fact of this stipulation may be considered by the Commissioner in any future administrative actions regarding licensee.

Pursuant to RCW 48.17.475, the licensee shall respond to all future inquiries from the Commissioner no later than fifteen business days from receipt of an inquiry and a failure to respond within such time will be considered untimely and a violation of RCW 48.17.475 justifying revocation of the licensee's license.
