No. 10-0076  
MOTION FOR RECONSIDERATION OF  
FINAL ORDER ON HEARING

Hearing Unit, DIC  
Patricia D. Peterson  
Chief Hearing Officer

Relief Requested

The OIC staff respectfully moves for reconsideration of the Final Order entered February 3, 2011, setting aside Insurance Commissioner's Order Revoking License, No. 10-0076. Specifically, the OIC staff requests that the Presiding Officer revise her Order vacating the Order Revoking License to condition vacation of the license revocation upon Mr. Wallace promptly submitting a legible fingerprint card to the OIC.

Basis for Reconsideration

RCW 48.17.090(1) provides in pertinent part with respect to individual resident insurance producer license applications as follows:

As part of or in connection with the application, the individual applicant shall furnish information concerning the applicant's identity, including fingerprints for submission to the Washington state patrol, the federal bureau of investigation, and any governmental agency or entity authorized to receive this information for a state and national criminal history back-ground check.

The OIC has yet to receive a legible fingerprint card from Mr. Wallace and therefore has yet to obtain the criminal history background information contemplated by this statute. As presently worded, the Final Order allows Mr. Wallace to continue selling insurance without

requiring him to provide the OIC staff with the legible fingerprint card the OIC staff needs in order to do its job.

Accordingly, the OIC staff respectfully requests that the Final Order be conditioned as requested herein.

Submitted this 11<sup>th</sup> day of February, 2011.
