RE Order Revoking for Lyle Wallace

COVER MESSAGE

I recently recieved an order of revocation for not submitting my finger prints. I spoke recently to someone from the commisioner's office who said I would be recieving a certified letter that I would have to sign for that contained finger print cards. I never recieved or signed for any such letter. I would like to demand a hearing to demonstrate that I made my best good faith effort to comply and will continue to attempt to comply. Thank you.
