To Whom It May Concern:

Please consider this a demand for a hearing under Option 2 regarding the ORDER REVOKING LICENSE of Kenneth T. Jepson No. 10-0126, which was entered on July 14, 2010.

I believe this order should be changed for several reasons, including:

- I made every effort to respond to the communication from the Commissioner.
- I made every effort to comply with the Commissioners request.
- Revoking my license would cause an extreme hardship on me and my family, as we are currently recovering from a long chain of losses, including recent business failure, recent job loss, recent loss of home, recent loss of multiple pregnancies, recent emergency surgeries, recent emotional breakdown of my wife.
- The revocation of my license at this time would likely be devastating to our current personal economic recovery situation.

Sincerely,

Kenneth T. Jepson
