RE: Order Revoking License
Number 10-0204

I am writing to demand a hearing on the above referenced suspension / revocation order.

The reasons for this demand are those issues generally raised in a letter dated 11/2/10 and e-mailed to examiners Mary Tunis and Marianne Azevado on 11/3/10.

Thank you for your consideration.

William H. Tanner, CPCU, AU, ASLI, CISC
President
