ORDER NO 11-0187

NPN 682284

WAOIC 68464

I, Francis Suarez, under penalty of perjury declare as follows:

Francis Suarez has been in the insurance industry for 20 years.

Licensed in Property and Casualty from 1990 to the present.

Operated over 20 years and during that time my license was never suspended, revoked.

On this date of around Aug 17, 2011 I received an order notified me that my Washington State insurance producer license is revoked. Order no 11-0187.

I am asking that the order to revoke my license be pended until after the hearing that I am requesting.

With regards to personal information I did make all reasonable efforts to ensure personal information was stored. I will further explain on hearing.

Need more time to defend myself.

I personally did not cause this protective info to be mishandled or improperly disposed of.

Regarding Flood policies, I did not personal pay 1st year premium as alleged in this order. When I heard and found that one of my agent make a mistake I personally took over and straightened the problem. I have evidence in writing.

It would be a great harm if my license will be revoked. I only ask that the effective date of order be suspended pending hearing.

I respectfully request a hearing to challenge this action and will supply proof at that time.

Sincerely,

Francis Suarez
