

To Whom it May Concern:

I have worked with Gregg Henderson for about 3 years in the capacity of business advisor and mentor for his financial and insurance practice. During this time, I have found Gregg to be trustworthy, dependable and honest. In my opinion, Gregg takes great pride in his work and truly cares about the needs of his clients. It has been my experience that Gregg considers all of his client's or prospect's current and future needs before making any recommendations or changes to their finances. I would have no reservations about working with Gregg Henderson now or in the future.

We at Liberty Wealth Strategies would like to express our confidence and support of Gregg Henderson.

One of our core values is that we believe integrity, honesty and accountability are non-negotiable. We first met Gregg in December of 2011 and after an extensive interview process and background check, we felt that Gregg truly exemplified all of these traits.

Throughout our interactions with Gregg, we have seen that the welfare of his clients and potential clients is always his primary concern. He spends time in case work and research to ensure that the client will receive the most positive financial benefit even if his recommendation is to make no changes.

Based on Gregg's high level of personal and business ethics as well as his business relationship with us, we believe that Gregg embodies the core values of integrity, honesty and accountability.

Sincerely,

Carlos L. Rocha

Re: Gregg Henderson

---

This letter is in support of Gregg Henderson who has handled our retirement fund for the last two years.

We consulted him after hearing him speak about retirement options. We had lost some of our money in the market in the turbulence of 2007 and 2008 and to avoid further loss put our money in money market funds to prevent further loss.

We were interested in conservative investing with minimal risk but better return than a money market fund. Gregg was extremely professional and informative. He explained the details of various options and the pros and cons of these options. He was very upfront and honest in his approach – he even explained the commissions he would receive. At no time did he pressure us or try to rush our decision. We were both very impressed with him, especially in comparison with some of people we had worked with in the past.

Also, since we have invested with him he has provided us with excellent help and service. He has always been available to answer any questions we had and to follow up with the company to make sure that our plans had been carried out.

In summary, our experience with Gregg has been excellent. His integrity, professionalism and hard work on our behalf has been greatly appreciated.

We would not hesitate to recommend him, without reservation, to anyone seeking straight forward, detailed advice regarding retirement options.

Please do not hesitate to contact us if you require additional information.

Sincerely,

Dr. Jeffrey and Ann Waesche

Dear Sir:

I can not just send in this 'DECLARATION' about my business experiences with Gregg Henderson. It must also be accompanied with a letter.

I was utterly surprised that someone had an unfortunate misunderstanding and negative experience with Gregg Henderson. Gregg Henderson has been first, a financial advisor of mine for more than five years and then, become a trusted friend. As far as I am concerned, the name, Gregg Henderson has always been synonymous with integrity, respect and honor. All the times that I have been with Gregg, coming from two way invitations, either his or mine, have been positive, enlightening and encouraging, never in any way coercive, manipulative, threatening or negative. Gregg's annuity investments and strategies have been profitable and secure. I have never lost a dime through them and also have been protected from some major capital losses.

If Gregg were removed from his investment position, there would be a major hole in my financial strategy and well being. It would be a great personal and grieving loss for me, his family, The Boy Scouts of America and many others that he serves.

Gregg is a person whom I personally trust and have highly recommended to others for financial investments. If you want to contact me about my experiences with Gregg Henderson, please do so in writing, by phone (425 255 4812), or in/with a personal appearance or meeting.

Sincerely and Respectfully,

George A. Hayden

To whom it may concern,

I first met Gregg Henderson as a result of my interest in a product that he offered, a fixed indexed annuity policy. Mr. Henderson has always treated me with the upmost professionalism. I have never felt pressured to do anything in regards to adjusting my financial plans in order to enroll in what he had to offer. He explained it very well, I did my due diligence researching the program, and gladly moved forward with the policy.

When I expressed interest in rolling my 401k into the policy, Gregg cautioned me that if I did so, it may be too penal. I appreciated how it directed me to act in my best financial interests. In short, I anticipate working with him in the future, and would not hesitate to recommend his services to others.

Sincerely,

  
Alvin Wolberg

1 My husband and I met with Gregg Henderson on September 1<sup>st</sup>, 2008. At that time we were  
2 looking for someone that was honest, upfront and willing to listen to what we were striving to  
3 accomplish. After spending some time telling Gregg what we wanted to accomplish and our  
4 financial situation we asked him if he could help us out. While listening to his suggestions and  
5 feeling he was very clear in understanding our needs we moved forward. No matter what we  
6 asked Gregg he was to the point and answered us without speaking in terms we would have no  
7 idea what he meant. He continually, throughout our conversation asked if we understood what  
8 he was suggesting. Everything he mentioned was to the point and made very clear to us. We  
9 both felt this was the financial guy we would like to work with long term. No matter what  
10 issue we would think about over time all we would have to do is give Gregg a call or send an  
11 e-mail to him.. Gregg would get back to us usually the same day. He always would listen to  
12 us and have the answers we needed at that point. Gregg never departed from our conversation  
13 until we understood, were satisfied, felt comfortable and had the answers we needed.

14 We BOTH, as husband and wife would highly recommend Gregg Henderson to friends, family  
15 and even people we did not know very well but were looking for a TRUSTED financial agent  
16 to work with.

17 This is both my husband (Elwyn D. Morrison) and myself, (Michelle C. Morrison) HONEST  
18 and TRUTHFUL feelings towards Gregg Henderson – a person we have become friends with  
19 doing financial business.

20 Sincerely,

21 Elwyn D. Morrison

MR. HENDERSON HAS BEEN VERY UPFRONT  
AND HONEST WITH ME, INFORMING ME OF  
THIS UPCOMING LITIGATION.

I RECENTLY ASKED MR. HENDERSON'S ADVICE  
ON SECURING A REVERSE MORTGAGE ON  
OUR HOME, AROUND \$ 325,000. AND  
HE NEVER ONCE SUGGESTED I COULD OR  
SHOULD INVEST THIS MONEY WITH HIM.
