Marcia,

As per our last conversation 4 weeks ago, I am writing a response as you requested. I do wish to proceed with a hearing to discuss this matter further as I am not in a position to pay any type of fine at this time. With me losing my job at Sentry over this incident, I have fallen into further financial disarray. I also have a Sentry employee that is willing to testify as a character witness on my behalf. Please contact me at 208-921-4700 early next week to discuss this further .

Best regards,

Patrick Bryant
