Judge Petersen,

Heather L. ...  
Principal ...  
Chief ... Officer

We reviewed the latest WellPoint SEC 10K report under Note 14 of its consolidated financial statement as of December 31, 2011 of that 10K report for the disclosed litigation suits in which WellPoint was defendants in, or parties to, a number of pending or threatened legal actions or proceedings. We compared that report against the litigation disclosed in the latest WellPoint SEC 10Q report under Note 10 of its consolidated financial statement as of September 30, 2012. It appears that WellPoint reportedly provided on certain litigation suits that were disclosed in the 10K and 10Q report. We did not detect any new litigation suits in the latest 10Q report.

We also noted the recent shareholder litigation filed by certain shareholders of Amerigroup regarding the WellPoint Amerigroup acquisition in August 2012. That information was disclosed in the Amerigroup SEC 10Q report as of September 30, 2012. According to Amerigroup, the parties have entered into a memorandum of understanding to settle all claims asserted in the lawsuit on October 3, 2012. On October 26, 2012, the parties submitted to the court a Stipulation and Agreement of Compromise, Settlement and Release which is subject to court approval. We also noted the recent amendment to the Merger Agreement between WellPoint and Amerigroup dated October 2, 2012 in that 10Q report.

We have searched various websites for any other recent litigation in which WellPoint is a defendant in, or party to, pending or threatened legal actions or proceedings. We did not detect any new litigation.

Please let us know if you have any further questions.

Thank you,
