I am requesting a hearing to have my Insurance License Re-Instated. I received an email from Cheryl Penn last week saying I was denied re-instatement and if I disagreed with the decision to request a hearing on the matter. That's the reason I sent the letter to your address as she told me. As my letter said: I want a hearing with the Insurance Commissioner, because I am being denied my constitutional right to work in my chosen field which is as an Insurance Agent and have been for the last 17 years because of RCW 48.17.530.

Dear Mr. Strom,

We have received your request for a hearing. We do need more information in order to attempt to assist you.

Are you dealing with an insurance company? What is the name of the company? Provide details about your situation and what type of hearing you are requesting.

I will pend this file till February 4 in anticipation of additional information.

Regards,
