Order No. 13-0182
LETTER OF REPRESENTATION

Dear Mr. Singer:

Our office represents Ms. Trisa Jackson in the above-referenced matter. We request that all future correspondence and communications of any kind be directed to our office. We also ask that you resend the electronic documents to our office that you attempted to send our client by email regarding the Banker Life and Casualty clients referenced in the Order Revoking License. Ms. Jackson did not receive them apparently due to the size of the attachments.

We also understand that you have received her timely written request for a hearing pursuant to RCW 48.04.010. Please advise us immediately if that is incorrect.

Of Counsel
