Docket No. 13-0293

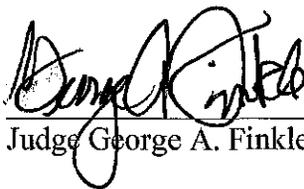

ORDER ON SEATTLE CHILDREN'S
HOSPITAL'S MOTION FOR
PROTECTIVE ORDER

Seattle Children's Hospital (SCH) has moved for a protective order setting parameters on discovery. I have considered SCH's Motion, dated June 19, 2014, Intervenors' Opposition, dated June 26, 2014, and SCH's Reply, dated July 1, 2014. (The OIC did not respond.)

1. SCH's Reply sets out the agreement of the parties as to completion of depositions, limits on depositions of individuals not identified as witnesses, and time limit on depositions. I believe the described agreement is reasonable.

2. Barring further written discovery is appropriate, given that this case has been pending since October 2013, and the hearing on the merits is fast approaching. No further written discovery shall be propounded absent further order.
