RE: Request for Hearing

To Whom It May Concern:

Pursuant to RCW 48.04.010(1)(b), Medico Insurance Company requests a hearing regarding the Office of the Insurance Commissioner's (OIC) disapproval of Medico's rate filing for its Dental, Vision and Hearing Expense Policies, form numbers MI-DVA18(WA)-1 and MI-DVA18(WA)-3 (SERFF Tracking Numbers MDIC-128937791 and MDIC-12914079).

Medico is aggrieved by the disapproval and closure of the rate filing in that the OIC did not review the rate filing in accordance with state law, particularly Chapter 48.19 of the Revised Code of Washington, and Medico has thus been denied a reasonable rate increase to provide for appropriate administration and customer service. Medico requests the hearing to provide evidence supporting our contention that the OIC erred in its interpretation of RCW 48.18.110(1)(c).

The relief sought in the hearing will be the approval of the referenced filing or an evaluation of such filing on its merits in accordance with Chapter 48.19.

Thank you for your prompt attention to this matter.

Sincerely,

MEDICO INSURANCE COMPANY
