Re: In the Matter of Business Health Trust, Docket No. 14-0246

After reviewing the recording of the prehearing conference, held January 15, 2015, we realize we were mistaken in our understanding that the Commissioner's Reply was limited to three (3) pages. Therefore, we withdraw the portion of the Aggrieved Party's Motion to Strike pertaining to the page limit. We maintain that any reference or claim to the standing of the Aggrieved Party should be stricken as it is outside the scope of the issue that the Commissioner asked to brief and was not addressed in our opposition.

Please don't hesitate to contact us if you have any questions.

Very truly yours,

Davis Wright Tremaine LLP
