Re: **OIC Staff's Motion to Terminate Proceedings as Moot**
Northwest Financial Association's Employee Benefit Trust, 15-0087
Washington Biotechnology and Biomedical Association Health Trust, 15-0107
Washington Clean Technology Alliance Health Trust, 15-0110

Dear Judge Finkle:

On behalf of the above named parties, we are writing to respond to the Office of Insurance Commissioner's (OIC's) September 1, 2015, motion to terminate the proceedings as moot.

We do not oppose the OIC's motion and stipulate to the dismissal of the consolidated adjudicative proceedings. As a result of the OIC's reversal of its disapprovals of the 2014 health plans filed for the above named parties, this action has been rendered moot.

We note, however, that this motion does not impact the pending case schedules in either Associated Industries Management Services, et. al. 15-0064 or Business Health Trust, 15-0133.

Very truly yours,

Davis Wright Tremaine LLP

Christine Hawkins
