Re: *In re Premera Blue Cross Associations – OIC Request for Stay*

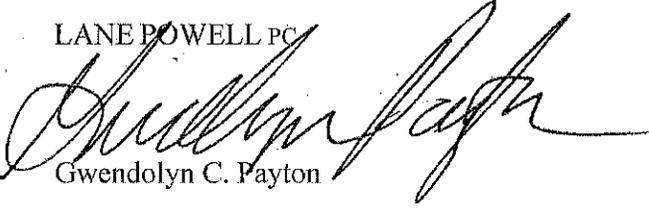

Dear Judge Finkle:

We represent Premera Blue Cross. We are in receipt of the OIC's request for a 60-day stay to allow it time to approve the Premera Association Plans at issue in this matter.

Premera will not oppose the stay, although Premera does not believe there is any ambiguity in this tribunal's decision related to WCIF and is not aware of any reason that would prevent the OIC from approving Premera's remaining plans immediately, given that all the plans at issue here were rated in a manner identical to WCIF.

Sincerely yours,
