**Re: OIC's Request for Stay - Cambia Health Solutions et al., 15-0111 & 15-0114**

Dear Judge Finkle:

With regards to the Washington State Farm Bureau Health Care Trust appeal, Cambia Health Solutions ("Cambia") responds to the Request for Stay submitted by the Office of the Insurance Commissioner ("OIC") on July 17, 2015 as follows. Your July 12015 Orders in the parallel appeals filed by the Washington Counties Insurance Fund and by the Building Industry Association of Washington Health Insurance Trust, the Master Builders Association of King and Snohomish Counties and MBA Trust, the Northwest Marine Trade Association and NMTA Trust, and Cambia Health Solutions ("the Orders") resolved the fundamental legal issue present in this appeal. While Cambia does not believe that a 60-day stay is necessary, it nevertheless is amenable to a slight modification of the Parties' briefing schedule. This would allow the OIC time to promptly review the 2014 Filings at issue in light of the Orders' rejection of the legal bases for the OIC's disapprovals of those Filings.

Best regards,
