To Whom It May Concern:

I am sending this letter as a request to appeal the order to revoke my non-resident insurance license in the state of Washington. The reason that my license is being revoked is because of issues with approving my fingerprint cards. I have sent on three separate occasions new fingerprint cards, all of which have been denied. I wish to continue to do business in the state of Washington and would like to maintain my non-residents license.

Please let me know what else I can do in order to maintain my license.

If you have additional questions or concerns regarding this matter please contact me at (612)844-5132 or via email at [Jason.briscoe@thrivent.com](mailto:Jason.briscoe@thrivent.com)

Thank you

Jason M. Briscoe
