MOTION FOR CONTINUANCE

The OIC staff respectfully requests a continuance of the presently scheduled hearing date in this matter of July 13 and 14, 2010.

The parties in this matter are very close to settling the matter, as is encouraged in the Administrative Procedures Act. One key term of the settlement requires approval of the Compliance Committee as determined by the Deputy Commissioner for the Legal Affairs Division, Carol Sureau, who is also the Chair of the Compliance Committee.

The next Compliance Committee meeting is scheduled for July 21, 2010, a week after the scheduled hearing on this matter. The OIC therefore requests a short continuance to permit the settlement to proceed if it is approved by the Committee. Counsel for the Respondents has verbally told me that he has no objection to a continuance. A continuance of two weeks should be sufficient.

Respectfully submitted this 16th day of June, 2010.
