RE: Advertising
Case # 70369

Dear Ms. Lemery:

You advertised insurers that you had no appointments with. Insurancezone.com of Texas' contract with you specifically states in 1) f) [which was left off your copy to me] that "Producer shall have no authority to utilize the names or trademarks of AgentSecure, its related entities or any of the contracted or partnering insurance carriers' in the conduct of its business without the express written consent of AgentSecure." In addition you had no affiliation with InsuranceNoodle in order to use its companies much less advertise them.

As of today William Sloan is not affiliated to InsuranceNoodle so he may not use its companies.

You are hereby reprimanded in this instance for your actions and are urged to be more diligent in the future to make certain that mistakes of this nature will not occur. This letter of reprimand is being issued in lieu of any other disciplinary action being taken by the Office of Insurance Commissioner regarding case number 70369.

Sincerely,

A handwritten signature in cursive script that reads "Marianne Azevedo".
