Re: Fairfax Financial Holdings Limited

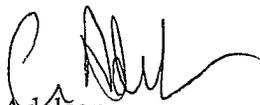

Dear Mr. Pastuch:

On behalf of Mackenzie Financial Corporation ("Mackenzie"), we withdraw the disclaimer of control pursuant to Washington Revenue Code §§ 48.31.B.005, filed in respect of Fairfax Financial Holdings Limited ("Fairfax"). Fairfax is the parent company of Commonwealth Insurance Company of America ("CIC"), an insurer with business operations in Washington.

Mackenzie now controls less than 10% of the votes of Fairfax's total shares outstanding, and requests that your office discontinue any hearing regarding Mackenzie's purported control of Fairfax or CIC.

Sincerely,

MACKENZIE FINANCIAL CORPORATION
