[Date]

Dear [Name of Policyholder],

Why am I getting this letter?

Your current health plan coverage will not be offered next year. **The last day of your current coverage is December 31, 2018 for you and any other people in your household covered under this plan.**

[These people are:

Name of Policyholder

Names of other enrollees on policy]

What you need to do:

You have options. We have selected a new plan for you, but you can review your options and decide what to do. You may shop for a new plan for 2019. **If you do not shop for a new plan and your information is current with Washington Healthplanfinder, we will enroll you [and anyone listed above] in the new plan we selected for you.**

Before we can enroll you in your new plan, you may need to update your account with Washington Healthplanfinder (Washington's Exchange). Washington Healthplanfinder will send you a letter in October 2018 to tell you what action to take. **If the letter tells you to take action and you do not, you will not be enrolled in a new plan for 2019.**

If you do not have coverage next year, you may pay a penalty and you'll have to pay for all of your health care costs.

Options from [Issuer Name]

The new [issuer name] plan we have selected for you is similar to your current coverage. If we enroll you in this plan, your new premium starts on January 1, 2019. If you don't qualify for financial help (a "subsidy"), you'll pay \$[Dollar amount] each month. [Insert if rate pending approval.] However, your rate has not yet been finalized. We will update you if there are changes. To see information about this rate, go to:

<https://fortress.wa.gov/oic/consumertoolkit/Search.aspx>.

If you do qualify for a subsidy, Washington Healthplanfinder will send a letter estimating how much your coverage will cost, including any subsidy.

Your new plan may have different [benefits and/or cost sharing], including:

The Open Enrollment period for 2019 coverage is November 1, 2018 through December 15, 2018. Coverage starts on January 1, 2019. You must sign up by December 15, 2018 for coverage in 2019.

There are two ways you can choose to buy a new health plan:

1. Through Washington Healthplanfinder at www.wahealthplanfinder.org. Here you can compare plans, find in-person help in your community, and see if you qualify for free or lower-cost options depending on your income. If you qualify for financial help, you can only get those savings if you enroll through Washington Healthplanfinder. [You can find plans from (Issuer Name) on Washington Healthplanfinder.]
2. Directly from [Issuer name], another company, or with the help of an agent or broker.

Important information about your tax credit

[If mapping enrollee to a plan in the same product that is **NOT** a silver plan:

- **IMPORTANT:** This isn't a Silver plan in 2019. This means you can't get financial help to lower your out-of-pocket costs if you enroll in this plan. To get these savings if you qualify, you must go back to Washington Healthplanfinder and enroll in a Silver plan. If you don't enroll in a Silver plan, any financial help you currently get to lower your out-of-pocket costs will stop on December 31, 2018.]
- Last year, you may have used tax credits to lower your monthly premium. To make sure you get the full savings, you must update your household and income information with Washington Healthplanfinder.
- You can do this online, in person, or by phone. This will ensure you get the correct premium amount and that you do not owe money on your next tax return because your household size, income, or other eligibility information was different than what you estimated. Your final tax credit is determined when you file your federal income tax return for the year.

[For those enrollees who did not receive tax credits only, insert the following bracketed text:

- **If you didn't receive a tax credit in 2018:** Tax credits and other cost-savings are available to many people who buy a plan through Washington Healthplanfinder. Find out if you qualify at www.wahealthplanfinder.org.]
