Re: R 2024-03 - Comment on Prepublication Draft for Prior Authorization Modernization

To whom it may concern:

The Washington State Pharmacy Association (WSPA) appreciates the effort to update the WAC's related to prescription drug utilization management and prior authorizations based on recent legislation. A group of WSPA members met to discuss the draft and did not find any concerns with the proposed language.

Thank you for the opportunity to comment on the prepublication draft. We are available for further discussion.

Sincerely,
