What you need to know before you file a complaint

Claims delayed or denied? Policies cancelled? Stumped by confusing policy language? If you're not sure if we can help you, it is always a good idea to call us. We answer hundreds of insurance questions every day. When needed, we also contact companies about complaints. We'll review your issues, and if we can't help you, we'll point you in the right direction for further assistance. Call our toll-free Insurance Consumer Hotline at **1-800-562-6900**.

What we can do:

- Send your complaint to the insurance company and require them to provide an explanation for their actions.
- Send your surprise/balance billing concerns to Washington state providers/facilities.
- Send your complaint to the Washington Healthplanfinder and ask them to resolve your concerns.
- Review the company's response to make sure they followed Washington state laws and your policy.
- Tell the company to fix the problem if they didn't follow the laws or your policy.
- Try to find patterns of problems that may need further reviewing.
- Try to help fix your insurance problem or help you and the company communicate with one another.
- Help you understand your insurance policy.
- Recommend places you can go for help if we don't have the legal right to resolve it.

What we can't do:

- Require medical providers/facilities to adjust their charges, respond to complaints, or comply with state insurance laws.
- Act as your lawyer, give you legal advice or be your claims adjuster.
- Make medical judgments or determine if further treatment is necessary.
- Make liability decisions or determine who is at fault.
- Establish the facts surrounding a claim (for example: who is being truthful when there are differing accounts of what happened, or who said what situations).
- Determine the cause of loss, value of a claim, the amount owed to you, or act as your adjuster.
- Address issues we can't legally enforce.
- Require the Washington Healthplanfinder to comply with state insurance laws as it's not an insurance company regulated by our office.
- Tell a company to pay a claim, refund a premium, or reinstate or issue a policy (if they followed the law and your policy).
