

# The State Health Insurance Assistance Program Tracking And Reporting System (STARS)

# Materials

---

- This PowerPoint presentation.
- Workbook.

# Learning objectives

---

Understand the importance of thorough and accurate reporting of client interactions in SHIBA work and become more comfortable with STARS data entry processes

# Today's Agenda

---

# Definitions and Guidance

# Common Acronyms

---

## SHIP

**State Health Insurance Assistance Program.**  
Navigating Medicare.

## MIPPA

**Medicare Improvements for Patients and Providers Act.**  
Navigating access to financial help with Medicare costs.

## SMP

**Senior Medicare Patrol.**  
Preventing Medicare fraud.

## API

**Application Programming Interface.** Technology transfer of data into STARS from another data system.

# More Acronyms

---

## ACL

**Administration for Community Living.** Federal agency under the U.S. Department of Health and Human Services.

## OHIC

**Office of Healthcare Information and Counseling.** The Office at ACL that manages and oversees SHIP, MIPPA, and SMP grantees.

## BCF

**Beneficiary Contact Form.** Used for entering beneficiary contacts into STARS.

## BAS

**Beneficiary Additional Session.** Form that is attached to BCFs and may also be used for follow-up counseling sessions.

# STARS

---

- The **S**tate Health Insurance Assistance Program (SHIP) **T**racking **A**nd **R**eporting **S**ystem (STARS) is the nationwide, web-based data system that facilitates the reporting of SHIP and MIPPA, Medicare Improvements for Patients and Providers Act, grantee activities to the federal government.
- Many organizations, including SHIBA, operate more than one of these grant-funded programs.
  - SHIBA: MIPPA, SHIP, and SMP contracts
- The website address for this system is <https://stars.acl.gov>

# Definition of a Beneficiary Contact

---

This includes all contacts for the purpose of relaying Medicare and State Health Insurance Benefits Advisors (SHIBA) related information between a properly trained and state certified SHIBA team member and a Medicare beneficiary or a representative working on their behalf.

- Beneficiary contacts may be conducted over the telephone, in person (on site), in person (at home), via postal mail, e-mail, fax, or web-based one-on-one sessions (where technology permits).

# SHIP & MIPPA grants performance measures (PM)

---

- Data you enter in the Beneficiary Contact Form (BCF) and Beneficiary Additional Session (BAS) is included in performance measures reports for our grants.

# Five SHIP Performance Measures

## PM 1 – Client Contacts

Percentage of **total client contacts** per Medicare beneficiaries in the state.

## PM 2 – Outreach Contacts

Percentage of **persons reached through presentations**, booths/exhibits, and enrollment events per Medicare beneficiaries in the State.

## PM 3 – Under 65

Percentage of contacts with Medicare beneficiaries **under the age of 65** per Medicare beneficiaries under 65 in the State.

## PM 4 – Hard to Reach

Percentage of **low-income, rural, and non-native English-speaking** contacts per total “hard-to-reach” Medicare beneficiaries in the State.

## PM 5 – Enrollment Contacts

Percentage of unduplicated enrollment contacts (i.e., contacts with one or more qualifying **enrollment topics discussed**) per Medicare beneficiaries in the State.

# Five MIPPA Performance Measures

## PM 1 – Overall MIPPA Contacts

Percentage of total **beneficiary contact forms** per Medicare beneficiaries under 150% FPL in the state.

## PM 2 – Overall Persons Reached through Outreach

Total number of **people reached** as reported on group **outreach and education** forms.

## PM 3 – MIPPA Target Populations

Total number of **beneficiary contact forms** by target beneficiary groups (**Under 65, Rural, Native American, ESL**)

## PM 4 – Hard to Reach

Percentage of **forms with applications submitted compared to overall MIPPA contacts reported in PM1**

# Beneficiary contacts do NOT include:

---

Unsuccessful attempts to reach a beneficiary (e.g., leaving messages on an answering machine)

Individuals reached at public events such as presentations or health fairs, or for questions asked during or after a presentation

Calls or other contacts in which the only purpose is to schedule an appointment

Calls or other contacts in which the sole purpose is referral to another agency or program

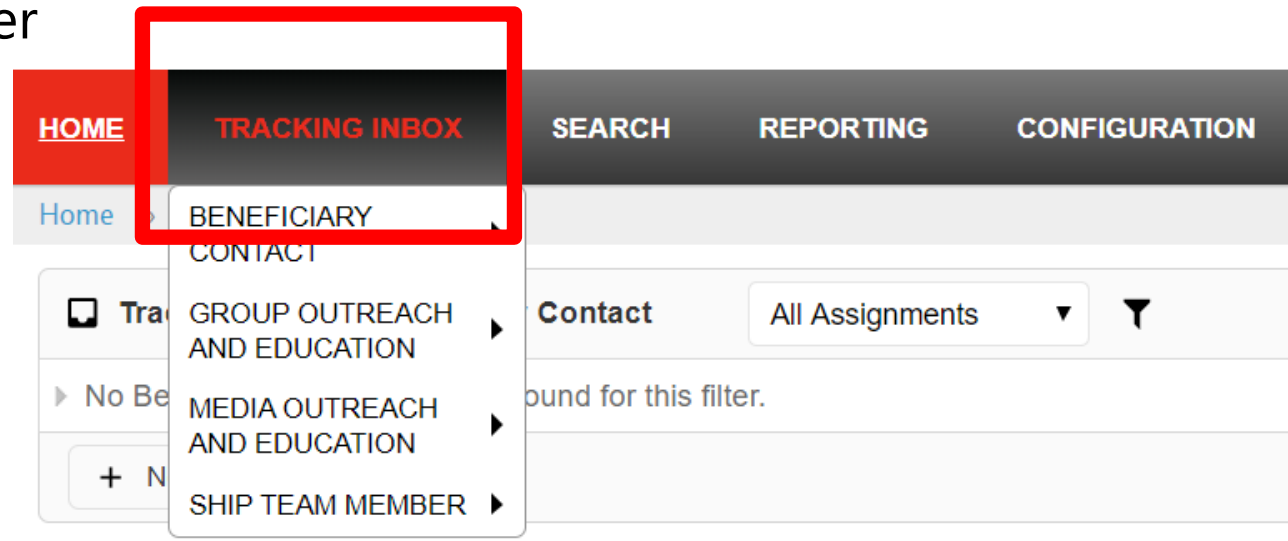

Unsolicited or mass mailings (email or postal) to SHIP contacts

# STARS Demonstration

# STARS Tracking Inbox for Data Entry

All data is entered on a form in the Tracking Inbox

- **Beneficiary Contact**
- Group Outreach
- Media Outreach
- Team Member

# Terms to Know: Parent and Child Objects

---

**Child Object:** Any form that depends upon a “parent” form. For example:

**Beneficiary Contact form (BCF) = Parent Object**

- **SHIBA Beneficiary Additional Sessions (BAS) form = Child Object**

# Beneficiary Additional Sessions

---

Illustrate complexity

No limit; enter as many as needed

Each additional contact counts the same way as a stand-alone contact on SHIP Performance Measures

The screenshot displays a web application interface for managing beneficiary sessions. The top navigation bar includes links for HOME, TRACKING INBOX, SEARCH, and REPORTING. Below this, a breadcrumb trail shows Tracking Inbox » Beneficiary Contact ». The main content area features two tabs: Beneficiary Contact and SHIP Beneficiary Additional Sessions, with the latter being the active tab and highlighted by a red circle. The form fields include:

- MIPPA: Radio buttons for Yes and No, with a red asterisk indicating it is required.
- Session Conducted By: A dropdown menu with a red asterisk.
- Partner Organization Affiliation: A text input field with a red asterisk.
- Zip Code of Session Location: A text input field with a red asterisk.
- State of Session Location: A dropdown menu showing 'Iowa' with a red asterisk.
- County of Session Location: A dropdown menu with a red asterisk.

# Poll – Test Your Knowledge

---

Ms. Taylor calls Jim, a SHIBA counselor, in the morning to ask about her Medicare Advantage plan options. Jim reviews the available plans using the Medicare Plan Finder and explains the differences in coverage and costs.

Later that afternoon, Ms. Taylor calls back with follow-up questions about provider networks and whether her preferred doctor accepts any of the plans they discussed.

For his second session, should Jim:

- a. Enter a new Beneficiary Contact Form (BCF)
- b. Enter a Beneficiary Additional Session form attached to the original BCF
- c. Enter changes to the original Beneficiary Contact Form (BCF)

# STARS data entry

---

- Demonstration
- Q&A

# Data Entry

---

- During busy season what are some tips and tricks you use to stay current on STARs?
- How do you prioritize data entry when you have back-to-back appointments?
- What do you usually include in your BCF notes?

# Learning Outcomes

---

After this training, how has your understanding of the importance of accurate and thorough client documentation changed?

What specific aspects of your STARS data entry or reporting process do you now feel more confident about, and what are one or two specific things you'd like to improve going forward?

# Data Accuracy Pointers

# MIPPA

BENEFICIARY CONTACT FORM			
<b>* Items marked with asterisk (*) indicate required fields</b>			
MIPPA Contact *:	<input type="checkbox"/> Yes	<input type="checkbox"/> No	
Send to SMP:	<input type="checkbox"/> Yes	<input type="checkbox"/> No	SIRS eFile ID: (*required if sending record to SMP)

- MIPPA Contact refers to any qualifying topics discussed during a counseling session
- Check the entire BCF for any of these topics that may have been discussed. If they were discussed, make sure MIPPA is checked "Yes"

# Accurate SHIP PM Data Entry Checklist

---

## Date of Session

- Without an accurate date, your data will not be tied to the correct report period.

## Topics Discussed (PM 1) At least one topic in any category

## Under 65 (PM 3)

- Receiving or applying for Social Security Disability or Medicare disability = yes *and*
- Age = 64 or younger

## Hard to Reach (PM 4)

- Beneficiary Monthly Income = Below 150% FPL *or*
- English as a Primary Language = No, *or*
- Zip code of beneficiary residence meets rural classification

## Enrollment (PM5)

- One of the 23 topics ACL has deemed qualifying for this measure (see Workbook)

# Send To SMP – Yes!

You can select “yes” for sending to SMP any time fraud prevention, detection, or reporting is part of the interaction.

For one-on-one interaction:  
Tracking Inbox →  
New Beneficiary Contact

The screenshot shows a web application interface for 'New Beneficiary Contact'. At the top, there are links for 'My Account', 'Sign Out', and 'Help'. Below this is a navigation bar with 'HOME', 'TRACKING INBOX' (highlighted in red), 'SEARCH', 'REPORTING', and 'CONFIGURATION'. The breadcrumb trail shows 'Tracking Inbox' and 'New Beneficiary Contact'. The form contains several input fields: 'Date of Contact' (with value '04/14/2025' and a '(mm/dd/yyyy) \*' hint), 'Date of Initial Creation', 'Session Entered By', 'Date of Last Update', and 'Record Last Updated By'. At the bottom, there are radio buttons for 'MIPPA' (Yes/No) and 'Send to SMP' (Yes/No, with 'No' selected). A 'SIRS Reference Number' field is also present.
