External Email

I am writing in strong support of the proposed revisions to WACs 284-30-300 through 400. As an attorney who primarily represents policyholders in property insurance bad faith cases, I believe these changes are critically necessary to protect Washington consumers. Clearer regulations will not only help deter unfair claims handling by insurers but also reduce the number of insureds who are forced to seek legal representation to enforce their rights.

Thank you.

Heather
