Dear Mr. Forte,

I am writing regarding the OIC's rulemaking for SB 5419 fire loss reporting requirements (WSR 25-13-102, filed June 17, 2025). As SIU Compliance Analyst for Assurant, a Washington State insurer with active fire claim and SIU operations, we request participation in the stakeholder process for this rulemaking.

Key parts we hope to address:

- SIU fire loss Investigation and reporting process. (ISO/NICB fraud referral processes changes and timeframe)
- Annual Fraud Compliance reporting.
- Transition procedures for the July 27, 2025, effective date.
- Staff training requirements or materials if any.

**Request:** Please include us in any stakeholder meetings or working groups. And advise if we need to do anything from our end to ensure participation.

We look forward to hearing from you.

Kind regards,

**Glynson Bivera, FCLA**
