## **Instructions**

Answer the following questions about the residential property insurance policies offered by your company for the policies where you company provides the PRIMARY FIRE COVERAGE for the structure. Do not consider the experience for any renters/tenants or condominium unit-owner type policies in your responses.

### **Section 1: Changes to Wildfire Underwriting Eligibility Requirements**

Has your company made any recent changes in underwriting eligibility requirements for new or existing policies, in relation to wildfire exposure in 2024? If so, provide the date of last implementation.

	(Yes or No)	(Date of Implementation mm/dd/yyyy)
New Policies:	<input type="text"/>	<input type="text"/>
Existing Policies:	<input type="text"/>	<input type="text"/>

If you responded 'Yes' to Question 1, describe the changes in eligibility requirements:

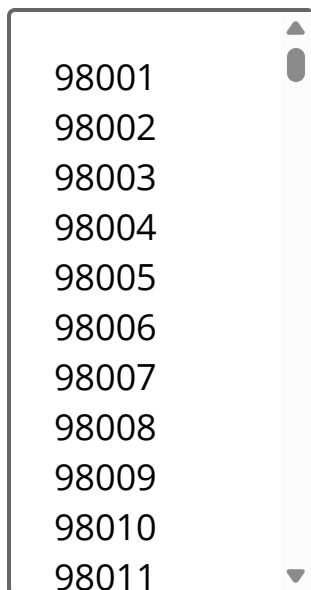

Section 2: Changes to Wildfire Underwriting Locations

For **New Business**: Are there locations where you are no longer writing business (changes from 2023 - 2024)?

No

Yes

For **New Business**: If there are locations where you are no longer renewing policies, what ZIP codes are those locations in? Please select all that apply (Click in the response box below and begin typing a ZIP code. Once the correct ZIP code appears, select it from the list).

A scrollable list box with a light gray background and a thin black border. It contains a vertical list of ZIP codes from 98001 to 98011. A vertical scrollbar is on the right side, with a small gray slider positioned near the top, indicating the first item is selected. Up and down arrow icons are visible at the top and bottom of the scrollbar.

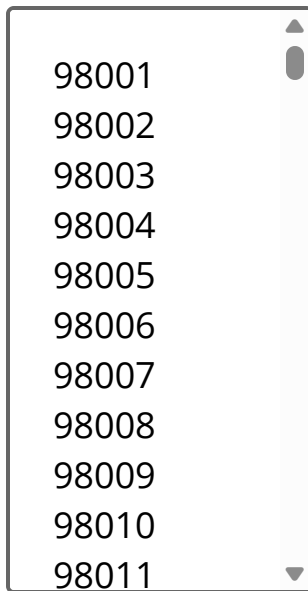

98001
98002
98003
98004
98005
98006
98007
98008
98009
98010
98011

For : Are there locations where you are no longer renewing policies (changes from 2023 - 2024)?

No

Yes

For **Renewals**: If there are locations where you are no longer renewing policies, what ZIP codes are those locations in? Please select all that apply (Click in the response box below and begin typing a ZIP code. Once the correct ZIP code appears, select it from the list).

A vertical scrollable list of ZIP codes. The list contains the following ZIP codes: 98001, 98002, 98003, 98004, 98005, 98006, 98007, 98008, 98009, 98010, and 98011. The list is enclosed in a light gray border with a scrollbar on the right side.

### Section 3: Wildfire Risk Tools

What database or other tool does your company *primarily* utilize to determine \_\_\_\_\_ **fire risk**, as of December 31, 2024? (Select one)

Fireline Score (Verisk)

Cotality (formerly CoreLogic)

Zesty.ai

Moody's

WSRB Protection Class (PC)

Building Code Effectiveness Grading Schedule (BCEGS)

Karen Clark & Co

Your company's internal/proprietary data (Please explain)

Other data source/no model used (Please explain)

Does your company use **ANY** of the following products for underwriting tools, as of December 31, 2024? (Check all that apply)

Fireline Score (Verisk)

Cotality (formerly CoreLogic)

Zesty.ai

Moody's

WSRB Protection Class (PC)

Building Code Effectiveness Grading Schedule (BCEGS)

Your company's internal/proprietary data

Karen Clark & Co

Other data source/no model used (Please explain)

## Section 4: Wildfire Risk Scores

If you selected **Fireline Score (Verisk)**, provide the highest level of fire risk a dwelling can have and still be eligible for coverage, for new and existing policies.

Fireline Score (0-30)

New Policies

Existing Policies

If you selected **Cotality (formerly CoreLogic)**, provide the highest level of fire risk a dwelling can have and still be eligible for coverage, for new and existing policies.

CoreLogic Score (1-100)

New Policies

Existing Policies

If you selected **Zesty.ai**, provide the highest level of fire risk a dwelling can have and still be eligible for coverage, for new and

existing policies.

	Level 1 Score (1-10)	Level 2 Score (1-10)
New Policies	<input type="text"/>	<input type="text"/>
Existing Policies	<input type="text"/>	<input type="text"/>

If you selected **Moody's**, provide the highest level of fire risk a dwelling can have and still be eligible for coverage, for new and existing policies.

	Score (1-10)
New Policies	<input type="text"/>
Existing Policies	<input type="text"/>

If you selected **WSRB Protection Class (PC)**, provide the highest level of fire risk a dwelling can have and still be eligible for coverage, for new and existing policies.

	Score (1-10)
New Policies	<input type="text"/>

Score (1-10)

Existing Policies

If you selected **Building Code Effectiveness Grading Schedule (BCEGS)**, provide the highest level of fire risk a dwelling can have and still be eligible for coverage, for new and existing policies.

Score (1-10)

New Policies

Existing Policies

If you selected **Karen Clark & Co**, provide the highest level of fire risk a dwelling can have and still be eligible for coverage, for new and existing policies.

Score

New Policies

Existing Policies

If you selected **Internal/Proprietary Data or Other**, provide the highest level of fire risk a dwelling can have and still be eligible for

coverage, for new and existing policies.

	Ineligible/Low	Moderate	High	Very High/Extreme
New Policies	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Existing Policies	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Describe any **exceptions** to the above selected scores/level of risk:

Provide any additional comments or explanations about the selected wildfire model and/or risk scores:

Does your company use any state government generated hazard or risk map when considering wildfire risk?

No

Yes

If you answered yes to the previous question, please describe how your company uses the state government generated hazard or risk map when considering wildfire risk.

## **Section 5: Nonrenewal and Cancellation Reasons**

The Residential Nonrenewal and Cancellation Datacall Excel Workbook asks for policies that were nonrenewed and cancelled in 2024. Reasons for nonrenewal and cancellation include the following:

- Insurer initiated nonrenewal: Insurer ceased to offer a specific line of coverage
- Insurer initiated nonrenewal: Insurer withdrew from WA state market
- Insurer initiated nonrenewal: Other reasons
- Insured initiated nonrenewal

- Insurer initiated cancellation: Due to nonpayment of premium
- Insurer initiated cancellation: Other reasons
- Insured initiated cancellation

Please select any additional reasons your company internally tracks nonrenewals and cancellations on residential policies.

Arson

Fraud

Misrepresentation (rescission of policy)

Significant change in risk

Wildfire risk

Vacancy

Not in code compliance

Too many claims incurred

Other(s)
