BEFORE THE STATE OF WASHINGTON 
OFFICE OF THE INSURANCE COMMISSIONER

In the Matter of 
Business Health Trust, 
Aggrieved Party

Docket No. 14-0246

AGGRIEVED PARTY’S OPPOSITION TO COMMISSIONER’S REQUEST FOR A DETERMINATION OF NO THREATENED AGENCY ACTION

I. INTRODUCTION

Pursuant to RCW 48.04.010(1), the Commissioner “shall hold a hearing... upon written demand for a hearing made by any person aggrieved by any act, threatened act, or failure of the commissioner to act, if such failure is deemed an act under any provision of this code, or by any report, promulgation, or order of the commissioner other than an order on a hearing of which such person was given actual notice or at which such person appeared as a party, or order pursuant to the order on such hearing” (emphasis added).

Business Health Trust (the “Aggrieved Party”), as the plan administrator and fiduciary for the Association-sponsored member-group governed plans (“Association Health Plans”) has been aggrieved by threatened retroactive and future actions of the Commissioner regarding both a finding that the Association Health Plans are not sponsored by an employer as defined by 29 U.S.C. § 1002(5), Section 3(5) of the Employee Retirement Income Security Act of 1974, as amended, (“ERISA”) and that Premera Blue Cross’s (“Premera”) rate filing methodology is not in compliance with Washington State law. Therefore, the Aggrieved Party is entitled to both a hearing and an automatic stay of such threatened retroactive and future actions of the Commissioner under Washington State law.

The threshold question in front of the Hearings Unit is whether the threatened actions of the Commissioner constitute a threat of “agency action” for which an automatic stay is granted
pursuant to RCW 48.04.010 and RCW 48.04.020. See Commissioner’s Brief Requesting a
Determination of No Threatened Agency Action ("Commissioner’s Brief"). Because an
“agency action” is defined by RCW 34.05.010(3) as the “implementation or enforcement of a
statute” or the “application of an agency rule,” such determinations by the Commissioner with
respect to: (i) the ERISA Section 3(5) status of the sponsoring Associations and (ii) rating
methodology utilized by the Association Health Plans are clearly “agency actions” within the
meaning of RCW 48.04.010. Moreover, the statements of the Commissioner that each
Association Health Plan’s structure and rating methodology must be changed or a disapproval
will be issued are clearly “threatened acts” within the meaning of RCW 48.04.010 and RCW
48.04.020 and, therefore, the Hearings Unit must find that the Aggrieved Party is entitled to a
hearing and an automatic stay as a matter of law.

Contrary to the Commissioner’s briefing, these threatened actions do not solely involve
a determination of Premera’s contract filing, as the Commissioner took no action on such
contract during the contractual term. The Commissioner’s public policy arguments that its
decision is necessary to protect the public from unlawful policies being sold are clearly
disingenuous as the 2014 policies at issue have terminated. No one is currently covered by such
policies and the policies are no longer being sold. Thus, the issues before the Hearings Unit
involve not only the proposed actions of the Commissioner that may be taken in the future, but
whether the Commissioner has authority to now enter a disapproval after the expiration of the
Premera contractual term. The issues with respect to retroactive threatened actions are as
follows:

1. Whether the Commissioner can now enter any formal disapproval, as the contract
period has expired and no one is covered by the policy;

2. Having previously approved each Association’s ERISA Section 3(5) status and
structure during the contractual period, can the Commissioner enter a retroactive disapproval,
without notice and opportunity to be heard, after the contractual period has expired;
3. Whether under the facts of this case, the disapproval of the ERISA Section 3(5) status of each Association sponsor exceeds the Commissioner’s authority on review;

4. Whether the Commissioner can retroactively disapprove the rating methodology of Premera after the contract period has expired and no one is covered by the policy.

With respect to the future threatened agency actions the issues are as follows:

1. Whether the Commissioner’s rating methodology for Associations exceeds his authority under Washington State law and is in violation of the principles established in Associated Industries v. State of Washington Office of the Insurance Commissioner et. al, Birmingham Decl. ¶ 8, Ex. G;

2. Whether the Commissioner’s determination of ERISA Section 3(5) status is erroneous under federal law, a federal question outside the jurisdiction of this state agency, an issue that will be addressed before this Hearings Unit at a later date.

Because the legality of the threatened retroactive disapproval is a key issue before this Hearings Unit, entry of the retroactive disapproval must be stayed pending a hearing. In addition, because it is undisputed that a request for a hearing was made prior to the effective date of any action, the Commissioner cannot take any action with respect to the Premera filings or the Associations’ ERISA Section 3(5) status, pending a hearing.

II. FACTUAL BACKGROUND

Since 2007, the Aggrieved Party has offered insurance policies through which participating employer-members have maintained and provided programs of health and other insurance benefits for their employees and such employees’ dependents. Birmingham Decl. ¶ 4, Ex. C at ¶ 3. After discussions with the Commissioner and in order to comply with applicable provisions of the Affordable Care Act, the Aggrieved Party stopped providing access to medical insurance for its employer-members on December 31, 2013. Id.

In order to fit within the guidelines established by the Commissioner, the thirteen
industry groups ("Associations"), which have historically been organized as subgroups of Seattle Metropolitan Chamber of Commerce, established thirteen Association Health Plans, effective January 1, 2014. *Id.*, Ex. C at ¶ 6. Employer-members satisfying the requisite geographical and industry classification requirements can purchase large-group insurance coverage from each Association Health Plan in order to continue to provide access to medical insurance to their employees and their employees' dependents. *See id.*

The Association Health Plans have partnered with Premera since their inception in order to provide benefits to the employees of the member companies of the sponsoring Associations. *Id., Ex. C. at ¶ 11.* Premera offers a large group insurance contract to the Association Health Plans provided such plan is sponsored by an Association or industry group that is an "employer" within the meaning of ERISA Section 3(5). *Id.*

Under WAC 284-43-920 and RCW 48.44.020, Premera, as a health plan issuer, must file its large group health plans with the Commissioner in order to continue to market the plans in Washington State. Washington State law further provides "An issuer must not offer or issue a plan to individuals or small groups through an association or member-governed group as a large group plan unless the association or member-governed group to whom the plan is issued constitutes an employer under 29 U.S.C. § 1002(5) of the Employee Retirement Income Security Act of 1974..." WAC 284-170-958(1) (emphasis added). However, the carrier is required only to make a good faith determination of an association's ERISA Section 3(5) status and the Commissioner's review is limited to whether such a good faith determination was made. WAC 284-170-858(2). The Commissioner has no authority to engage in rulemaking with respect to an association's ERISA Section 3(5) status, as the statute specifically adopts and incorporates federal law on this issue.

AGGRIEVED PARTY'S OPPOSITION TO COMMISSIONER'S BRIEF (Docket No. 14-0246) - 4

Davis Wright Tremaine LLP
LAW OFFICES
Suite 2200
1201 Third Avenue
Seattle, WA 98101-3045
206.622.3130 main - 206.757.7700 fax
In February 2014, Premera submitted to the Commissioner rate filing applications for each of the Association Health Plans for large-group coverage. Birmingham Decl. ¶ 4, Ex. C at ¶ 14. These applications included all information requested by the Commissioner, including information demonstrating that each sponsoring Association is an ERISA Section 3(5) Employer. Id. In addition, as required by the rate filing instructions, Premera relied on an opinion of legal counsel as to the central issue of whether the sponsor of the group insurance contract is an ERISA Section 3(5) employer.

On March 26, 2013, the Commissioner sent a letter indicating that the structure of the Association that would sponsor the Aerospace Industry Health Trust qualified as an ERISA Section 3(5) employer. Birmingham Decl. ¶ 5, Ex. D. Similarly, on May 7, 2013, the Commissioner sent a letter to the Aggrieved Party, acknowledging that the Agriculture Industry would qualify as an ERISA Section 3(5) employer. Id. ¶ 6, Ex. E. The other eleven (11) Association Health Plans were submitted for review with this understanding. The letters approving the ERISA Section 3(5) status of the Agriculture Industry Association and the Aerospace Industry Associations were received while the Premera policy was in force.

On April 2, 2014, the Commissioner suddenly reversed its position with respect to the status of the Associations as ERISA Section 3(5) employers, sending Premera an objection letter for all of the Association Health Plans, except the Agriculture Industry Health Trust and Aerospace Industry Health Trust, indicating that it was suspending its review of Premera’s rate filing applications pending further documentation establishing that the corresponding Associations qualified as ERISA Section 3(5) employers. Birmingham Decl. ¶ 4, Ex. C at ¶ 16. The requested responses were submitted by Premera on or around May 8, 2014. Id.

On September 8, 2014, the Commissioner sent a second objection letter indicating that
additional documentation establishing that the Associations qualified as ERISA Section 3(5)
employers was required for continued review of the rate filing applications for the Association
Health Plans. Id., Ex. C at ¶ 17. The requested documentation was provided to the
Commissioner on or around October 7, 2014. Id.

On October 28, 2014, the Commissioner sent a letter to Ms. Maud Daudon, President
and Chief Executive Office of the Seattle Metropolitan Chamber of Commerce and Trustee of
Business Health Trust, indicating that, despite the repeated submission of additional
information supporting the Associations’ ERISA Section 3(5) employer status, the
reorganization of the Aggrieved Party would not be able to overcome the Bend Chamber of
Commerce decision. Birmingham Decl. ¶ 7, Ex. F. In relevant part, the letter provides:

As I shared with you in an email dated July 31, 2012, the U.S. Department of
Labor’s Susan Reed shared that she did not believe that Seattle Chamber was
capable of satisfying ERISA’s definition of “employer” even with the proposed
structural changes.

Id.

It is significant to note that this letter was written outside of the rate filing review
process as the letter was not addressed to Premera, but rather to Maud Daudon, in her
capacity as a Trustee of Business Health Trust. Id. The letter did not discuss the Premera
filing. Id. Rather, the purpose of the letter was to inform the Aggrieved Party that the
thirteen (13) group health plans that it administered were not sponsored by an ERISA
Section 3(5) employer. See id. In other words, the letter threatened the ability of the
Aggrieved Party to contract with any carrier for group health insurance.

On December 15, 2014, a conference call was held between representatives of the
Aggrieved Party and the Commissioner to discuss the ERISA Section 3(5) employer status of
the Association Health Plans. During this call, the Commissioner indicated that the proposed
structural changes would not be sufficient to satisfy the definition of employer set forth by
ERISA. Birmingham Decl. ¶ 4, Ex. C at ¶ 18. The Aggrieved Party understood this to mean
that it would not be able to sponsor any group health plan in Washington state and its groups
would have to transition to another sponsor. The Commissioner had previously also expressed
concern about the rating methodology utilized by the Associations. Id. ¶ 2, Ex. A at ¶ 14.

On December 17, 2014, the Aggrieved Party filed a federal action against the
Commissioner, seeking a declaratory judgment with respect to the status of the Associations as
ERISA Section 3(5) employers, a federal question. That same day, the Aggrieved Party
demanded a hearing in front of the Hearings Unit on behalf of the Association Health Plans in
order to preserve its rights to an administrative hearing pursuant to RCW 48.04.010 and an
automatic stay against the Commissioner pursuant to RCW 48.04.020. The demand also
requested that the hearing be stayed pending the determination of the federal question –
whether each of the Association Health Plans is sponsored by an ERISA Section 3(5) employer
– in federal court.

In connection with the federal action, the Commissioner has in fact confirmed that he
intends to disapprove Premera’s applications for the Association Health Plans on two separate
grounds: 1) the Association sponsors’ status as ERISA Section 3(5) employers; and 2)
Premera’s rating methodology – as the rates are inconsistent with single large group rates.

Representatives of the Commissioner, in sworn testimony, have indicated that upon
issuance of a final disapproval, Premera will be instructed to stop selling the insurance plans
and to provide a transition plan for moving the current 14,000 enrollees to compliant plans
within 60 days of receipt. See Birmingham Decl. ¶ 2, Ex. A at ¶ 16; see id., ¶ 3, Ex B at ¶ 4.

AGGRIEVED PARTY’S OPPOSITION TO COMMISSIONER’S BRIEF
(Docket No. 14-0246) - 7

Such compliant group plans could not be sponsored through the Associations as the Commissioner’s determination that such plans are not sponsored by an ERISA Section 3(5) employer would prevent any other carrier from reaching a contrary interpretation on this issue.

If the Commissioner issues a finding that the Associations are not ERISA Section 3(5) Employers, the Associations will not only be unable to sponsor the Premera plan, but will be unable to sponsor any group health plan of any carrier, as no carrier can make a good faith determination that the Associations are ERISA Section 3(5) employers after contrary findings by the Commissioner. See WAC 284-170-958(2). Thus, the Aggrieved Party, which has been sponsoring group health policies since 2004, will essentially be forced out of business without notice or opportunity to be heard. In addition, if Premera’s rating methodology is disapproved, the 14,000 participants signed up through 661 employer-members will be forced to move off the current plans to more expensive compliant plans. See Birmingham Decl. ¶ 3, Ex B at ¶ 4.

III. ARGUMENT

A. Whether the Commissioner’s retroactive formal disapproval of both the Premera Rate filing and each Association’s ERISA Section 3(5) status should be stayed as the Commissioner took no action during the contract period.

Contrary to the Commissioner’s statements, neither Premera nor an Association Health Plan needs the Commissioner’s approval of its group insurance contract. Pursuant to RCW 48.44.020 and WAC 284-43-920, a carrier must file its group health plan within 30 days of the renewal date of the policy. RCW 48.44.020 states that the Commissioner “may” review and “may” disapprove the policy, but only for one or more of the enumerated reasons set forth in RCW 48.44.020, subsections (a) through (g), or for the reasons set forth in RCW 48.44.030.

In the instant case, the carrier timely filed its contract but the Commissioner did not timely review the policy. The 2014 Premera contract has now expired; no one is covered by the

AGGRIEVED PARTY’S OPPOSITION TO COMMISSIONER’S BRIEF
(Docket No. 14-0246) - 8

Davis Wright Tremaine LLP
LAW OFFICES
Suite 2200
1201 Third Avenue
Seattle, WA 98101-3045
206.622.3150 main · 206.757.7700 fax
policy and the policy is no longer being sold. Therefore, pursuant to RCW 48.44.020, the contract was permitted to be offered and sold because there was no disapproval issued during the policy term. The Commissioner does not have the authority to enter a formal disapproval of either the contract or any issue under the contract at this late date.

A similar issue of retroactivity relates to the Association Health Plan and this issue is not solely confined to the Premera rate filing. The Commissioner had previously sent to representatives of the Aggrieved Party, and not to Premera, a letter approving the structure utilized by the Association Health Plans as being consistent with the requirements of ERISA section 3(5). See Birmingham Decl. ¶ 6, Ex. E. This letter was received during the contractual term and during the period of the Commissioner's discretionary review. In addition, Premera filed a good faith determination of the employer status under ERISA Section 3(5) and complied with the Commissioner's rate filing instruction. The materials supplied to the Commissioner fully complied with the requirements of WAC 284-170-958(2). Under RCW 48.44.020(f) the Commissioner's review is limited to enforcement of the regulations and the regulation, WAC 284-170-958(2), only requires the carrier to make a "good faith determination of the employer's ERISA section 3(5) status." The Commissioner has no statutory authority to reject the Premera filing on other grounds. The attempt of the Commissioner to reverse a prior approval of ERISA Section 3(5) status after the contract period has expired and outside the scope of his review authority should be stayed pending an administrative hearing on the legality of such action. Moreover, the denial of ERISA Section 3(5) status does not relate to a review of the policy, but to whether any approved policy can be sold to and sponsored by the Association Health Plans, an issue of federal law, not within this agency's jurisdiction. Because this issue involves an issue outside the scope of the Premera filing and after the expiration of the contract, a determination on that issue should be stayed pending a hearing on the issue.

Because the Aggrieved Party has raised the following issues that question the ability of the Commissioner to make a formal retroactive determination, such determination must be
1 stayed pending a hearing: 1) Whether the Commissioner can retroactively enter a formal
disapproval after the expiration of the contract term; 2) having approved the Associations’
general structure as an ERISA Section 3(5) employer status during the contractual term, can the
Commissioner enter a formal disapproval, retroactively disapproving the Associations’ ERISA
Section 3(5) status after the expiration of the contractual period; 3) whether, under the facts of
this case, the entry of a formal retroactive disapproval of each Association’s ERISA Section
3(5) status exceeds the Commissioner’s statutory authority; and 4) whether the Commissioner
can retroactively disapprove Premera’s rating methodology after the contract period has
expired. The issues of threatened future action also require a stay for the reasons more fully set
forth below.¹

B. Whether the Aggrieved Party is entitled to a mandatory hearing as a person
aggrieved by threatened agency action.

The Hearings Unit’s jurisdiction is mandatory under RCW 48.04.010. The
Commissioner offers no authority, and the Aggrieved Party is aware of none, allowing the
Hearings Unit to forego the requirements of RCW 48.04.010 on the Commissioner’s theory
that the Commissioner’s fulfillment of a regulatory duty is not an “agency action” for purposes
of RCW 48.04.010. Nothing in the Washington State statute allows such a conclusion.

Because the Commissioner’s determination of the sponsor’s ERISA Section 3(5)
employer status and the findings with respect to Premera’s rating methodology are both agency
actions within the meaning of RCW 34.05.010(3) by which Business Health Trust was
aggrieved, the Aggrieved Party is entitled to an administrative hearing under RCW 48.04.010.

¹ Nonetheless, the Aggrieved Party made clear in its demand for a hearing that jurisdiction over the ERISA Section
3(5) issue is exclusively federal and that it would challenge the jurisdiction of any state proceeding. The
Aggrieved Party, therefore, reserves the right to contest the jurisdiction of any administrative tribunal regarding
whether the Association sponsors are employers within the meaning of ERISA Section 3(5). The Aggrieved Party
also hereby amends its request for a hearing to specifically incorporate the issues raised herein.

AGGRIEVED PARTY’S OPPOSITION TO COMMISSIONER’S BRIEF
(Docket No. 14-0246) - 10

DWT 26013329v6 0083762-000003
1. The Commissioner’s disapproval of the Associations’ ERISA Section 3(5) status and rating methodology is agency action within the meaning of RCW 34.05.010(3).

The Commissioner urges in the Commissioner’s Brief that his retroactive disapproval of an Employer’s ERISA 3(5) status and a health plan carrier’s rating methodology is not reviewable in an administrative hearing under RCW 48.04.010 as the Commissioner’s completion of his statutory obligation cannot be the type of act that entitles a third party to a hearing. The Commissioner, however, misstates the issues before the Hearings Unit and he also misstates the law.

As previously indicated, contrary to the Commissioner’s suggestion, the threatened acts do not relate solely to the Premera rate filing. The issues involve whether the Commissioner can make any retroactive determination on an expired policy and whether the Commissioner can enter findings on the ERISA Section 3(5) determination that exceed both his review authority and extend beyond the Premera filing to the prohibition of the Association Health Plans from offering any group health contracts in this state. As such, the Commissioner’s decision with respect to these determinations is an “act” that can be the subject of an adjudicative proceeding. RCW 48.04.010(1)(b). The fact that the Commissioner alleges that he is acting while fulfilling a statutory obligation is irrelevant and the Commissioner has provided no evidence to the contrary. See In the Matter of Annette Cabin, Order on the Office of the Insurance Commissioner’s Motion to Dismiss, Docket No. 09-0112.

The Hearings Unit should instead focus on the plain meaning of the definition of an “agency action” under the Washington State statute. The legislature has defined “agency action” in RCW 34.05.010(3) as follows: “Agency action” means licensing, the implementation or enforcement of a statute, the adoption or application of an agency rule or
order, the imposition of sanctions, or the granting or withholding of benefits” (emphasis added). The Commissioner’s action fits squarely within this definition of “agency action”: (1) the Commissioner’s determination that the Association sponsors are not ERISA Section 3(5) employers is a misguided attempt of implementation or enforcement of the federal requirements contained in WAC 284-170-958(1); and (2) the disapproval of the rating methodology that Premera applies to the coverage offered to the Association Health Plans purports to apply an agency rule, and purports to enforce WAC 284-43-920 and RCW 48.44.020.

The former Chief Hearing Officer recently concluded that “[T]he OIC’s actions in approving the Exchange filings do indeed constitute acts of the Commissioner involving ‘implementation or enforcement of a statute’ as well as ‘application of an agency rule’ under RCW 48.04.010(1) and RCW 34.05.010(3).” See In the Matter of Seattle Children’s Hospital, Order on Insurance Commissioner’s Motion to Dismiss, Docket No. 13-0293 at 4. If the approval of a rate filing is an agency action, there should be no question that the Commissioner’s disapproval of Premera’s rate filings or the disapproval of each Association’s status as an ERISA Section 3(5) employer is an act that rises to the level of the agency action that would entitle Business Health Trust, as a party aggrieved by such action, to an adjudicative hearing. 2

Furthermore, the Commissioner’s argument that this decision may create a dangerous precedent has no relevance herein with respect to the Aggrieved Party’s right to a hearing. As the former Chief Hearing Officer has stated, “The likelihood of opening the floodgates to excessive litigation in this area would be a matter for the legislature and is not relevant in an

2 In fact, the Commissioner has not disputed in other cases that the approval of an Exchange plan is an act involving the implementation of statutes. See In the Matter of Seattle Children’s Hospital, Order on Insurance Commissioner’s Motion to Dismiss, Docket No. 13-0293 at 3.
analysis of RCW 48.04.010 as it is currently written.” See In the Matter of Annette Cabin, Order on the Office of the Insurance Commissioner’s Motion to Dismiss, Docket No. 09-0112 at 4.

2. The Commissioner’s oral and verbal “expression of doubts” and statements regarding pending disapprovals in public court filings constitute a sufficient threat of “agency action” within the meaning of RCW 34.05.010.

The Commissioner contends that the Aggrieved Party failed to show facts sufficient to support its claim of threatened action at the time the hearing was requested, specifically stating that the Commissioner had made no such threat. The Commissioner further characterizes the Aggrieved Party as acting “[i]n anticipation of a determination disapproving the plans.” The Aggrieved Party counters that its demand was not in anticipation of a determination, but rather in response to a specific threat by the Commissioner to (1) disapprove each Association’s status as an ERISA Section 3(5) employer, preventing the Associations from sponsoring any group insurance, and (2) disapprove the rating methodology utilized by all the Association Health Plans in the state, threats that were made both to Premera and independently to representatives of the Aggrieved Party.

The Aggrieved Party submitted the October 28, 2014, letter from the Commissioner to Maud Daudon of the Seattle Metropolitan Chamber of Commerce in support of the Aggrieved Party’s position that the Commissioner had threatened to disapprove each Association’s ERISA Section 3(5) status and business structure, which went beyond the Premera rate filing as it affects the ability of the Association Health Plans to sponsor any group health plan in the state. The letter was not submitted as the sole evidence of the threatened action as the Commissioner had previously issued a letter approving the proposed structure. Rather, the letter adds context.
to the other communications between the Commissioner, his various representatives, representatives for the Aggrieved Party, and Counsel for the Aggrieved Party during which it became apparent that the Commissioner intended to reject the status of the sponsors of the group health insurance as ERISA 3(5) employers and to broadly attack the rating methodology utilized by all the Association Health Plans and to more narrowly disapprove the Premera filings.

The appropriateness of the Aggrieved Party’s response to the Commissioner’s oral and written threats is clearly supported by the Commissioner’s own statements in both public federal court filings and in the Commissioner’s Brief. Representatives for the Commissioner have publicly indicated in sworn declarations that the Commissioner intends to find that the thirteen (13) Association Health Plans are not sponsored by ERISA Section 3(5) employers. Birmingham Decl. ¶ 2, Ex. A at ¶ 15. In addition, representatives for the Commissioner have publicly indicated in sworn declarations that the Commissioner intends to disapprove the Premera applications due to the rating methodology utilized. Id. The Commissioner has made no point of hiding that he is prepared to disapprove the filings and, in fact, he has indicated that he has uploaded his disapproval findings into the electronic system.

Lastly, for avoidance of any doubt, to the extent the early comments of the Commissioner were not sufficient to constitute a threat, the Aggrieved Party hereby amends its hearing request to specifically reference the above threatened actions by the Commissioner. Since the Aggrieved Party has demanded a hearing on the specific threats and issues as amended by this filing, and this demand was made prior to the effective date of any agency action, an automatic stay must be issued.
3. The Aggrieved Party, as the administrator and fiduciary for the Association Health Plans, is a person aggrieved by “agency action.”

It would be unreasonable to conclude that the Aggrieved Party, as the administrator and the fiduciary of the Association Health Plans, is not aggrieved by the Commissioner’s threatened action. The insurance-related activities in which the Association Health Plans, and Business Health Trust, engage in for their business are called into question as a result of the Commissioner’s action.

The Associations, after meeting with the Commissioner and receiving general approval of their proposed structure for the new Association Health Plans, incurred substantial costs in establishing, marketing and administering the large-group insurance contracts. After such meeting, the Commissioner suddenly reversed his decision and now intends to disapprove issues that he previously approved. As previously indicated, it is significant to note that the approval was given during the contractual term and the formal retroactive disapproval will take place after the contract has expired, calling into question the legality of such action. Because the Commissioner has now indicated on multiple occasions that he intends to disapprove not only Premera’s rate filings, but the Aggrieved Party’s status as an ERISA Section 3(5) employer, the Aggrieved Party’s entire business purpose and legal compliance has been called into question. This has an immediate impact on the Association Health Plans and the insurance marketplace regardless if there is a transition date for compliance.

In particular, any determination by the Commissioner that the Associations are not ERISA Section 3(5) employers directly and negatively impacts the Aggrieved Party. If the Commissioner were to include in his disapproval of Premera’s rate filings a decision that the Associations are not ERISA Section 3(5) employers, the Association Health Plans would be barred from partnering, not only with Premera, but with any other health plan issuer for
pursposes of marketing large-group coverage to their employer-members. A determination of
this issue is not relevant to the 2014 Premera filing as no one is covered by that contract and the
contract is no longer being sold. However, by the mere act of issuing a formal retroactive
determination, the Associations will no longer be able to sponsor any group health plans as no
carrier will be able to make a good faith determination as required by WAC 248-170-958(2) of
ERISA Section 3(5) employer status when the Commissioner has published a contrary finding.
Thus, it is the Commissioner’s decision itself that aggrieves Business Health Trust, not solely
the actions taken after the decision has been issued.

C. Whether the Aggrieved Party is entitled to an automatic stay of such
threatened agency action pursuant to RCW 48.04.020(1).

Pursuant to RCW 48.04.020(1), “Such demand for a hearing received by the
commissioner prior to the effective date of action taken or proposed to be taken by him or her
shall stay such action pending the hearing...” Under the strict language of this statute, a person
aggrieved by agency action and who requests a hearing under RCW 48.04.010 prior to the
effective date of the agency action is entitled to an automatic stay of such agency action.

Here, there is no question that the Aggrieved Party’s demand was received by the
Commissioner prior to the effective date of the agency action. Because the agency action
challenged is a threatened act, a final determination has not been made and the determination
has not yet taken effect.

The Commissioner takes the position that the Hearings Unit must distinguish between
regulatory and enforcement action before determining whether an applicant is entitled to an
automatic stay. The Commissioner fails, however, to provide any authority to support this
position. Rather, the Commissioner again depends on the theory that the Commissioner’s
fulfillment of a statutorily assigned duty to review and examine the players and products sold in the insurance market cannot be “agency action” for purposes of RCW 48.04.010. As discussed above, RCW 34.05.010(3) defines “agency action” to include the regulatory function—“implementation of a statute” or “application of an agency rule”—in addition to enforcement—“enforcement of a statute.” Thus, the Commissioner’s distinction is fictional and contrary to the specific statutory language. The statute specifically provides for an automatic stay of either “action taken” or “proposed to be taken,” unless the action relates to: (a) an order on a hearing, (b) under an order pursuant to a hearing, (c) under an order to make good an impairment of the assets of the insurer, or (d) under an order of temporary suspension of a license issued pursuant to RCW 48.17.450. Because none of these four exceptions to an automatic stay are present, a stay is required of any proposed action to be taken.

For the reasons set forth above, the Hearings Unit must strictly abide by the language of the statute. There is nothing in RCW 48.04.010 that permits the Hearings Unit to refuse to grant an automatic stay so long as the following requirements are met: (1) a person aggrieved (2) by agency action or threaten agency action (3) requests a hearing under RCW 48.04.010 (4) prior to the effective date of the agency action. Because all of the requisite elements are met, the Aggrieved Party is entitled to an automatic stay of the threatened agency action pursuant to RCW 48.04.020.

The Commissioner further argues that there is no practical need for an automatic stay of a filing determination. First, there is no requirement of proof of a practical need for the stay under the statute. If the requirements discussed above are met, an automatic stay is issued. Second, the disapproval itself, and not the “enforcement” of such disapproval, has immediate harmful effects on the Aggrieved Party and the Association Health Plans. Once the disapproval
by the Commissioner of the Premera rate filings has been made on the basis that an Association is not an ERISA Section 3(5) employer, the entire business model of the Aggrieved Party is called into question. The Association Health Plans will not be able to conduct business with another carrier with respect to any other group insurance contact because the carrier cannot make a good faith determination of the sponsor’s ERISA Section 3(5) status with an adverse determination having been issued by the commissioner. Furthermore, the Commissioner’s disapprovals are not confidential or private; they are public records. It is irrelevant that there is a “period of planning and transition” prior to sending discontinuance notices to consumers. The business model of the Associations will effectively end when the Commissioner enters his retroactive formal disapproval.

D. Whether the scope of the action stayed includes the final disapproval as well as the implementation of the Commissioner’s disapproval or findings.

As a result of the Aggrieved Party’s timely hearing demand, it is clear that the agency action should be stayed under RCW 48.04.020. The only question remaining is whether the Commissioner should nevertheless be permitted to issue his formal retroactive disapproval and only subsequent actions relating to that disapproval should be stayed. It is the Aggrieved Party’s position that both the formal retroactive determination and any subsequent actions relating to such formal determination must be stayed as that is simply what the statute demands.

A formal retroactive determination should not be permitted to be entered as the issues before this Hearings Unit go to the legality of such retroactive determination and, therefore, a stay must be granted. The issues relating to the retroactive formal determination are: 1) whether an approval of ERISA Section 3(5) status made during the contract period can be retroactively disapproved after the expiration of the contract; 2) whether the disapproval of ERISA Section 3(5) status would exceed the Commissioner’s authority to review the “good faith
determination” made by Premera; 3) whether the Commissioner can retroactively disapprove the rating methodology of Premera after the expiration of the contract term, 4) whether the Commissioner correctly applied federal law in making an ERISA Section 3(5) determination, an issue that is beyond the scope of this administrative hearing; and 5) generally, whether any retroactive determination can be made if it is not made within the contract period.

The Commissioner contends that it must enter its formal disapproval or its contractual review will be delayed and the Aggrieved Party will never be aware of the specific reasons for the disapproval. Even if these concerns had some validity in other contexts, these concerns are not valid with respect to the factual issues before this Hearings Unit.

With respect to delay, delay is no longer an issue as the Commissioner has delayed any action beyond the contract period and no one is currently covered by the policies. While generally the reasons for disapproval may not be known until a formal determination is issued, in the instant case the Commissioner has indicated in sworn court filings that he has made his determination and has uploaded those findings into the electronic system. Therefore, the Aggrieved Party can compel the Commissioner to release those findings through discovery without the need for a formal determination. Moreover, the Commissioner often enters his findings in a conclusory manner and discovery is generally necessary to determine the specific reasons for such findings.

In the unlikely event that the Hearings Unit permits the formal retroactive approval to be entered, any actions or proposed actions based on such disapproval are nevertheless stayed for the reasons previously mentioned.

AGGRIEVED PARTY’S OPPOSITION TO COMMISSIONER’S BRIEF
(Docket No. 14-0246) - 19
IV. CONCLUSION

The Hearings Unit should deny the Commissioner's request and find that the Aggrieved Party is entitled to an administrative hearing pursuant to RCW 48.04.010 to challenge the Commissioner's threatened actions. The Hearings Unit should stay the entry of any retroactive formal determination by the Commissioner as the legality of such retroactive determination is one of the key issues before the Hearings Unit. The Hearings Unit should stay any actions of the Commissioner with respect to the Premera filing, the rate methodology or the determination of each Associations ERISA Section 3(5) status. The reason such stay should be granted is that the stay is automatic under the statute and this Hearings Unit cannot make exceptions as it is undisputed that the request for a hearing was made before the effective date of any agency action and it is undisputed that the agency action that was threatened will also be taken unless the stay is entered.

RESPECTFULLY SUBMITTED this 2nd day of February, 2015.

BEFORE THE STATE OF WASHINGTON
OFFICE OF THE INSURANCE COMMISSIONER

In the Matter of

Business Health Trust,

Aggrieved Party.

Docket No. 14-0246

DECLARATION OF RICHARD J.
BIRMINGHAM IN SUPPORT OF
AGGRIEVED PARTY’S OPPOSITION TO
COMMISSIONER’S REQUEST FOR A
DETERMINATION OF NO
THREATENED AGENCY ACTION

I, Richard J. Birmingham, declare and state as follows:

1. I am a partner with the law firm of Davis Wright Tremaine LLP, and counsel of record for the Aggrieved Party, Business Health Trust. I make this declaration based on personal knowledge and am competent to testify as to the matters set forth herein.

2. Attached hereto as Exhibit A is a true and correct copy of the Declaration of Molly Nollette, which was filed in support of the Washington State Insurance Commissioner’s Opposition to Plaintiffs’ Motion for Temporary Restraining Order in the federal action as docket no. 16-2.

3. Attached hereto as Exhibit B is a true and correct copy of the Declaration of Keith VanderZanden, which was filed in support of Plaintiffs’ Motion for Temporary Restraining Order in the federal action as docket no. 11.

4. Attached hereto as Exhibit C is a true and correct copy of the Declaration of Maud Daudon, which was filed in support of Plaintiffs’ Motion for Temporary Restraining Order in the federal action as docket no. 14.

5. Attached hereto as Exhibit D is a true and correct copy of a letter dated March 26, 2013, from Carol Sureau, Deputy Commissioner, Legal Affairs, to Mr. Jeff Marcell regarding the Aerospace Industry Health Trust and the Commissioner’s determination that the membership constitutes an ERISA Section 3(5) employer.
6. Attached hereto as Exhibit E is a true and correct copy of a letter dated May 7, 2013, from Charles Brown, Acting Deputy Legal Affairs, to Mr. Jason Froggatt regarding the Commissioner's finding that the Agriculture Industry Health Trust may be considered an ERISA Section 3(5) employer.

7. Attached hereto as Exhibit F is a true and correct copy of a letter dated October 28, 2014, from Commissioner Kriedler to Maud Daudon regarding the impending disapproval of the Association Health Plans as ERISA Section 3(5) employers.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this 2nd day of February, 2015, at Seattle, Washington.

/s/ Richard J. Birmingham
Richard J. Birmingham
UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

BUSINESS HEALTH TRUST, in its fiduciary capacity for an association or member-governed group plans; and THE ASSOCIATION OR MEMBER GROUP-GOVERNED PLANS,

Plaintiffs,

v.

MIKE KREIDLER, in his capacity as WASHINGTON STATE INSURANCE COMMISSIONER,

Defendant.

The Honorable Robert S. Lasnik

I, Molly Nollette, am over the age of eighteen years old. I make the following declaration based on first hand personal knowledge and am competent to testify to the facts set forth herein.

1. I am the Deputy Insurance Commissioner for the Division of Rates and Forms. I have been in that position since June 25, 2013.

2. My responsibilities include supervising the review of health plan filings to ensure compliance with applicable state and federal laws.
3. At least as early as 2012, my division began working with issuers and associations in the State of Washington to help them understand the changing landscape of the large group market, in light of the Affordable Care Act’s more limited definition of employer.

4. I and my staff have also worked with health plan issuers to help them understand the filing requirements they would be expected to satisfy when filing large group health plans.

5. In addition to adopting rules, my office issued filing instructions to all carriers, indicating that the documentation the issuer relied on in making its good-faith determination that a group is an employer under WAC 284-170-958(2) should be filed with the issuer’s rate and form filing.

6. I have viewed the 13 large group health plan rate and form filings submitted by Premera on February 12, 2014, via the System for Electronic Rate and Form Filing (SERFF), each of which indicated that it would be sold to one of the 13 groups listed in the complaint as an “association”.

7. Because health plans sold to large groups are negotiated, issuers generally do not have to file their rates before they begin to sell their product.

8. However, our office still has the authority to review large group health plan filings, and to reject or “disapprove” such filings in the event they do not comply with the law.

9. All issuers must submit their health plans for review in SERFF. All questions and concerns concerning the rate and form filing submitted by an issuer are communicated to the issuers as “objections” in SERFF. All responses to those objections must be made through the SERFF System.
10. The SERFF review process includes review of threshold questions, such as the appropriate market for the health plan that has been submitted, compliance review of the forms that have been filed, and a technical actuarial review of the rating methodology submitted by the issuer.

11. In April 2014, our staff began requesting information such as: additional detail including how association members were/are solicited; who is entitled to participate and who actually participates in the association; the process by which it was formed (including whether it is a sub-trust of a larger association, the history of the larger association, and the history of the sub-trust itself); what, if any, were the pre-existing relationships of its members (including a description of what other sub-trusts exist within the larger association, and a description of activities delegated to the sub-trust or retained to the association); and what industry relationship exists between employer members apart from participating in the same or similar industry.

12. By September 2014, our staff was still requesting information such as: how members are/were solicited, now and prior to January 2014; who actually participated/s, now and prior to January 2014; the membership and activities of the Washington Trade Conference, as compared with the membership and activities of the Group, demonstrating the origins of the Group. Documentation of the described meetings and trainings (now and prior to January 2014) including but not limited to attendance lists, minutes, curriculum, agenda, trainers and sponsors; detailed explanation and supporting documentation of the organized activities to support the mission of the Group, including economic activities, business promotion, networking and business development, public affairs and business advocacy. The process by
which the Group was formed, including the principal advisors and drafters of the documents; the pre-existing relationships between the employer members, Maud Daudon, Business Health Trust, and Wells Fargo Ins. Services; identification of Group members who participate/d in the control, direction and selection of the offered health plans, including names, meeting dates and agendas, and specific activities.

13. For each of the 13 health plans submitted by Premera, there are roughly 150 to 200 pages of documents chronicling the Commissioner’s repeated requests for information. Unfortunately, the documentation supporting the conclusory statements provided by Premera was never provided in response to our requests.

14. In addition to requests for documents, and specific information supporting Premera’s assertions that these 13 entities are associations, my staff also requested information concerning the rating methodology and rates being used by Premera for these large group health plans. The information provided is inconsistent with a single large employer group filing.

15. At this time, the Commissioner’s review of Premera’s 13 filings is technically still pending. My staff had prepared and loaded its disapproval notices for Premera’s 13 health plan filings. However, due to a question of the impact of the requested administrative proceeding, we have not yet issued decisions in SERFF to Premera. Currently the OIC anticipates two separate grounds for disapproval of Premera’s plan filings: one ground, the documentation submitted to date fails to demonstrate that the 13 associations are true associations under the ERISA definition incorporated into the Affordable Care Act; and two,
Premera's rating methodology and rates are inconsistent with a single large group employer filing.

16. The disapprovals, when issued, will instruct Premera to stop selling the plans that have been disapproved to new purchasers, and to provide the OIC with a transition plan for moving current enrollees to compliant plans. I anticipate that employers will have at least 60 days from the date Premera issues notices to its employers that the plans are being discontinued, until employers are forced to transition to a different plan.

SIGNED this 13th day of January, 2015 at Tumwater, Washington.

s/ Molly Nollette
Molly Nollette
Deputy Commissioner for Rates and Forms,
Washington State Office of the Insurance Commissioner
I, Keith VanderZanden, declare and state as follows:

1. I am a Senior Vice President at Wells Fargo Insurance Services USA, Inc. and, in this capacity, I provide administrative service to the Business Health Trust and Member Group-Governed Plans ("Health Benefit Trusts") named as Plaintiffs in the above-captioned action. I make this declaration based on personal knowledge and am competent to testify as to the matters set forth herein.

2. As of December 1, 2014, the Health Benefit Trusts covered 839 member-employers and 18,887 employee and dependent participants. There are no individuals currently covered by the 2014 policy that is the subject of recent threatened activity by the Washington State Office of the Insurance Commissioner.

DECLARATION OF KEITH VANDERZANDEN
ISO MOTION FOR TEMPORARY RESTRAINING ORDER
(Case No. 2:14-cv-01918-RSL) - 1
DWT 23858099v2 003763-00003
3. The Health Benefit Trusts began marketing and selling policies for the 2015 calendar year prior to the date on which the Washington State Office of the Insurance Commissioner indicated that it intended to issue a finding that the sponsoring Associations are not employers within the meaning of ERISA Section 3(5).

4. As of January 1, 2015, the Health Benefit Trusts have enrolled 661 member-companies and 14,892 employee and dependent participants. This number is fluid and is expected to increase as there are still 166 outstanding employer-companies that have not yet renewed or terminated coverage.

5. The rate filing application for large-group coverage offered in 2015 is due February 12, 2015.

6. If member-employers are forced to obtain coverage outside of one of the thirteen (13) Health Benefit Trusts, I was informed by Premera Blue Cross that the estimated cost of insurance for such member-employers in 2015 would increase between five percent (5%) and twenty percent (20%).

7. If the Health Benefit Trusts are forced to transition members to other insurance coverage in 2015, prior to this Court ruling whether such Trusts are sponsored by a ERISA Section 3(5) Employer, the business of the Trusts will be damaged.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this 8th day of January, 2015, at Seattle, Washington.

I, Maud Daudon, declare and state as follows:

1. I am a Trustee for Business Health Trust, the third party administrator and named fiduciary for thirteen (13) industry-specific Health Benefit Trusts. As the administrator, we keep copies of Bylaws and the Trust Agreements for the various Health Benefit Trusts that we administer in the ordinary course of business. I make this declaration based on personal knowledge and am competent to testify as to the matters set forth herein.

2. Business Health Trust was established in July 1, 2007, as a “group insurance arrangement” as defined by ERISA to hold insurance policies through which participating employer-members can provide programs of health and other insurance benefits under the employee benefit plans maintained by the employer-members for their employees and such...
employees' dependents. Business Health Trust stopped providing access to medical insurance for its employer-members on December 31, 2013.

3. There are thirteen (13) specific Industry Groups that are members of Business Health Trust: the Wholesaling Industry Group (2) the Transportation Industry Group, (3) the Information Technology Industry Group, (4) the Tourism Industry Group, (5) the Retail Industry Group, (6) the Media Industry Group, (7) the Business Services Industry Group, (8) the Construction Industry Group, (9) the Healthcare Industry Group, (10) the Community Service Organization Industry Group, (11) the End-Line Manufacturing Industry Group, (12) the Agriculture Industry Group, and (13) the Aerospace Industry Group. True and correct copies of the Bylaws and Trust Agreement for the Aerospace Industry Group and Aerospace Industry Health Trust, which were gathered and maintained in the ordinary course of business, are attached and identified as Exhibits A-B. The Bylaws and Trust Agreements for each Association and Health Benefit Trust are substantially the same.

4. The Industry Groups provide the following services to their participating members: policy and advocacy work, networking opportunities, educational programming, information sharing and project work that is relevant to their group.

5. Effective January 1, 2014, the Industry Groups established (1) the Wholesaling Industry Health Trust, (2) the Transportation Industry Health Trust, (3) the Information Technology Health Trust, (4) the Tourism Industry Health Trust, (5) the Retail Industry Health Trust, (6) the Media Industry Health Trust, (7) the Business Services Industry Health Trust, (8) the Construction Industry Health Trust, (9) the Healthcare Industry Health Trust, (10) the Community Service Organization Industry Health Trust, (11) the End-Line Manufacturing Industry Health Trust, (12) the Agriculture Industry Health Trust, and (13) the Aerospace Industry Health Trust.
Industry Health Trust, respectively, to offer health benefits to the employees of member-companies based on industry sector.

6. Each Industry Group or Association sponsors a Health Benefit Trust as an ERISA employer.

7. Participation in a Health Benefit Trust is based on a voluntary application submitted by the member-employer and a member-employer may be an Association member without participating in a Health Benefit Trust. The insurer, Premera Blue Cross, has no role in soliciting the members based on any perceived insurance risk.

8. Each Industry Group ties its members that participate in a Health Benefit Trust with a common economic and representation interest and genuine organizational relationship unrelated to the provision of benefits. The members have a history of organized activities, including economic activities, to support the mission of the industry group, including providing educational opportunities, industry training, business promotion, networking and business development, and public affairs and business advocacy.

9. The Health Benefit Trusts are tax-exempt trusts under I.R.C. § 501(c)(9) and provide medical, dental, vision, prescription drug, life or disability benefits, or other benefits limited to the benefits described in 29 U.S.C. § 1002(1).

10. The Health Benefit Trusts partner with Premera Blue Cross in order to offer benefits to the employees of the member-companies of the sponsoring Industry Groups. Premera Blue Cross offers a large group insurance contract to the Health Benefit Trusts, provided such trust is sponsored by an Association or industry group that is an Employer within the meaning of 29 U.S.C. § 1002(3), ERISA Section 3(5).

11. Since January 1, 2014, Premera Blue Cross has issued an insured large-group contract to each of the Health Benefit Trusts.

12. The Associations engaged with the Washington State Office of the Insurance Commissioner in order to ensure compliance with Washington State law (WAC 284-170-
958(1) and (2)) and each Health Benefit Trust was developed after meetings between the
Washington State Office of the Insurance Commissioner and the Associations to establish the
breadth of the “industry” and establish operations compliant with the commonality of interest
test for purposes of 29 U.S.C. § 1002(5), ERISA Section 3(5).

13. In February 2014, Premera Blue Cross submitted rate filing applications to the
Washington State Office of the Insurance Commissioner for each of the Health Benefit Trusts
for large-group coverage. These applications included all of the information requested by the
Office of the Insurance Commissioner, including information demonstrating that the
Association was an ERISA Section 3(5) Employer.

indicated that the approach taken by the Health Benefit Plans would be sufficient to constitute
an “Employer” within the meaning of ERISA Section 3(5).

sent to each of the Health Benefit Trusts, except the Agriculture Industry Health Trust, an
objection letter indicating that it was suspending its review of the Health Benefit Trusts’ rate
filing applications pending further documentation establishing that the corresponding
Associations qualified as ERISA Section 3(5) Employers. The requested responses were
submitted by Premera Blue Cross on May 8, 2014.

Commissioner sent to each of the Health Benefit Trusts an objection letter indicating that
additional documentation establishing that the Associations qualified as 29 U.S.C. § 1002(5),
ERISA Section 3(5) Employers was required for continued review of the rate filing
applications for the Health Benefit Trusts. The Health Benefit Trusts responded with the
requested documentation on October 7, 2014.

Commissioner threatened to deny a pending application for the Health Benefit Trusts regarding their qualification for large-group coverage under Washington State law on the basis of their failure to qualify as an "Employer" within the meaning of 29 U.S.C. § 1002(5), ERISA Section 3(5).

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this 9th day of January, 2015, at Seattle, Washington.

Maud Daudon

AEROSPACE INDUSTRY GROUP

BYLAWS

ARTICLE I.
PURPOSE

The Aerospace Industry Group is a voluntary membership-based organization. The group’s purpose is to provide support for aerospace industry employers who are located in Washington State.

ARTICLE II.
MEMBERSHIP

Section 1. Eligibility. Subject to any additional qualifications for membership that may be established from time to time by the group, any employer in Washington State whose primary business purpose is engaging in the aerospace industry is eligible for membership in the group. Examples of such employers include manufacturers of components, equipment and vehicles used for commercial aircraft and space flight.

Section 2. Membership. Each employer who desires membership in the group shall submit an application for membership. The application for membership must be on the form that has been approved by the group, which form will indicate any other qualifications for membership. Any organization that is eligible and meets any other qualifications required by the group for membership will be accepted as a member. Membership in the group shall be retained as long as the member organization meets the respective qualifications and obligations of membership.

Section 3. Designation of Official Contact. Once a new member has joined the group, it shall provide the group with the name and business address of the individual within the member organization who shall serve as the member organization’s official contact. This individual shall exercise the member organization’s vote. A member may change Notice of change of address shall be effective only when done in accordance with this Section 7.

Section 4. Termination/Resignation of Membership. Membership in the group may be terminated for any action by a member that is detrimental to the best interests of the group or for failure to actively support the purposes of the group. Termination of membership requires the affirmative vote of two-thirds of the other members. Any member may resign by filing a written resignation.

Section 5. Transfer of Membership. Membership in this group is not transferable or assignable.

Section 6. Voting. Each member is entitled to one (1) vote.
Section 7. **Directors and Officers.** The members have the right to elect the officers and directors of the group by majority vote to serve such terms as determined by the members, or to remove or replace any such officer or director for any reason by majority vote.

**ARTICLE III.**

**MEMBERSHIP MEETINGS**

Section 1. **Regular Meeting.** Regular meetings of the members may be scheduled each year on a date to be approved by the Directors and as communicated by the Directors to the members. The meeting shall be held at a location, on a date and time designated by the Directors.

Section 2. **Special Meeting.** A special meeting of the members may be called by 20% or more of the members, to be held at such time and place as specified by such members.

Section 3. **Notice of Meetings.** Notice stating the place, date, and hour of each regular meeting shall be mailed or electronically transmitted to the official corporate contact of each member (as designated under Section 3 of Article II above) no less than ten (10) business days in advance of the meeting. Notice stating the place, date, hour, and purpose of any special meeting shall be mailed or delivered to the official corporate contact of each member (as designated under Section 3 of Article II above) not less than ten (10) business days before the meeting.

Section 4. **Conduct of the Meeting.** Members may participate in a meeting by conference telephone or similar communications equipment so that all persons participating in the meeting can hear each other at the same time. Participation by that method constitutes in-person presence at a meeting.

Section 5. **Quorum.** Ten (10) members shall constitute a quorum, and the act of a majority of the members present shall be the act of the membership.

Section 6. **Voting.** At every special or regular meeting of the membership, each member of record shall be entitled to cast one (1) vote in person through the designated official corporate contact. Additionally, voting may be conducted by mail, facsimile, and electronic means. Where a vote is taken by mail, facsimile, or electronic means the name of each candidate and/or the text of each proposal to be voted on shall be contained in the notice of meeting and the ballot. The designated address for receipt of the votes, such as by mail, facsimile or electronic mail, will be clearly stated within the notification. Members voting by mail, facsimile, or electronic transmission are considered present for all purposes of quorum, count of votes, and percentages of total voting power present.

Section 7. **Waiver of Notice.** Whenever any notice is required to be given to any member under these Bylaws, or by the laws of the State of Washington, a waiver of the notice in the form of a record, including without limitation, an electronic transmission from the person or persons entitled to such notice, whether before or after the time stated therein, shall be equivalent to the giving of such notice. Neither the business to be transacted at, nor the purpose of, any special meeting of the membership need be specified in the waiver of notice of such a meeting. The attendance (or in-person presence in accordance with Section 4 of Article III above) of a
member at a meeting shall constitute a waiver of notice of such meeting, except where a member attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

ARTICLE IV.
COMPENSATION, REIMBURSEMENT, AND INDEMNIFICATION

Section 1. Compensation of Directors and Officers. Directors and officers shall not be compensated for their services to the group. However, the board of directors may reimburse directors and officers for reasonable expenses actually incurred in carrying out assigned duties.

Section 2. Insurance. The group may purchase and maintain insurance on behalf of an individual who is or was a Director, or who, while a Director, is or was serving at the request of the group as a Trustee or Director of another foreign or domestic group partnership, joint venture, trust, employee benefit plan, or other enterprise, against liability asserted against or incurred by the individual in that capacity or arising from the individual’s status as a Trustee or Director, whether or not the group would have power to indemnify the individual against the liability.

ARTICLE V.
BOOKS AND RECORDS

Section 1. Maintenance and Inspection. The group shall keep accurate and complete books and records of account and shall keep minutes of the proceedings of its members, if any; the board of directors; and committees. All books and records of the group shall be inspected by any director for any proper purpose at any reasonable time. In addition, the books and records shall be open at any reasonable time to inspection by any member of more than three (3) months’ standing. Any such member must have a purpose for inspection reasonably related to membership interests. Use or sale of members’ lists by such member if obtained by inspection is prohibited. The costs of inspecting or copying shall be borne by the member.

Section 2. Designation of Fiscal Year. The books and records of the group shall be on a fiscal year that runs from January 1 through December 31.

ARTICLE VI.
CONTRACTS AND CONVEYANCES

All contracts, deed, conveyances, negotiable instruments, and other instruments of like character which have first been approved by the board of directors shall be signed as directed by the board of directors. No contract of any officer of the group shall be valid without previous authorization or subsequent ratification of the board of directors.
ARTICLE VII
AMENDMENT

These bylaws may be altered, amended, or repealed at any regular or special meeting of the members by a majority vote of those present.

Effective January 1, 2014.
EXHIBIT B
AEROSPACE INDUSTRY HEALTH TRUST AGREEMENT

THIS AEROSPACE INDUSTRY HEALTH TRUST AGREEMENT (this “Agreement”) is entered into by and among the initial Participating Employers (the “Aerospace Group”) as the Sponsor, and the undersigned Trustees.

ARTICLE I
DECLARATION OF TRUST

1.01 Purpose. The purpose of this Agreement is to provide a trust under which the Eligible Employers may make certain Welfare Benefits available for their Participants, through group insurance or otherwise.

1.02 Establishment of Trust. The Aerospace Group establishes this trust as of January 1, 2014, to be known as the Aerospace Industry Health Trust (the “Trust”), which is intended to be a tax-exempt trust under Internal Revenue Code section 501(c)(9). The Trustees accept the appointment as Trustees for the Trust and agree to be bound by the terms and conditions of this Trust Agreement and the Participation Agreements attached hereto as Exhibit A and incorporated by reference herein.

1.03 Term. This Trust Agreement shall be effective as of January 1, 2014, and shall continue indefinitely, unless terminated in accordance with Section 8.01.

ARTICLE II.
DEFINITIONS

2.01 “Administrator and Named Fiduciary” of any Plan provided under the Trust means that person or persons selected by the Participating Employer in the Participation Agreement to exercise the authority granted pursuant to Article VII, unless otherwise indicated by the Participating Employer.

2.02 “Employee(s)” means any individual(s) employed by a Participating Employer (or was so employed but is subsequently laid off, terminated or retired).

2.03 “Eligible Employer” means employers in Washington State, provided such employer has as its principal business purpose engaging in the aerospace industry and is included in the industry classifications described in Exhibit B, attached hereto and incorporated by reference herein.

2.04 “Employee” means any individual employed by an Eligible Employer (or who was so employed, but who is subsequently laid off, is terminated or retires).

2.05 “Insurer(s)” means the insurance carrier or carriers selected by the Trustees to issue policies to the Trust to insure benefits provided under a Plan.

2.06 “Participant(s)” means Employees, their dependents and retirees who are specified as eligible for Welfare Benefits by a Participating Employer, pursuant to Article III.
2.07 "Participation Agreement" means the Participation Agreement between any Eligible Employer and the Trust substantially in the form of Exhibit A attached hereto and incorporated by reference.

2.08 "Participating Employer" means any Eligible Employer that is an employer of common-law employees and has executed a Participation Agreement.

2.09 "Plan" means any employee welfare benefits plan created and administered for the benefit of Participants which provides Welfare Benefits covered by this Trust.

2.10 "Sponsor" means the Aerospace Group.

2.11 "Trustee(s)" means those persons appointed in accordance with Article VI, and their duly appointed or elected successors.

2.12 "Welfare Benefits" means the employee welfare benefits specified by the Trustees from time to time, including but not limited to medical, dental, surgical or hospital care or benefits in the event of sickness, accident, disability, death or unemployment. Such Welfare Benefits shall be evidenced either by contracts of insurance or, with respect to uninsured plans, if any, by plan documents.

ARTICLE III
PARTICIPATING EMPLOYERS AND PARTICIPANTS

3.01 Eligible Employers. Any Eligible Employer that is an employer of common-law employees may elect to become a Participating Employer hereunder by executing a Participation Agreement. In such Participation Agreement, the Eligible Employer will agree to be bound by the terms and conditions of this Agreement, to make contributions to pay for Welfare Benefits to be provided for its Participants, and to adopt such Welfare Benefits. The Welfare Benefits to be provided and the persons entitled to them shall be as selected by the Participating Employer in its Participation Agreement, and subject to its terms.

3.02 Participants. Subject to applicable insurance laws and regulations and the rules of the Trust, each Participating Employer shall select those of its Employees, dependents and/or retirees who shall be eligible for Welfare Benefits. Generally, all Employees or all Employees of a class or classes determined by conditions pertaining to their employment must be eligible to participate in the particular Welfare Benefits selected by the Participating Employer. Eligibility requirements and other classifications need not be uniform among the various Participating Employers.

3.03 Information. Each Participating Employer agrees to provide such information, including payroll information and data, to the Trust regarding such Participating Employer's Participants and Employees of any control group in which any Participating Employer may be a member, as shall be determined by the Trustees to be necessary for administration of the Trust and the Plans. Each Participating Employer shall provide such information at such times and in such manner as the Trustees or their designees may specify from time to time.
ARTICLE IV.
BENEFITS AND CONTRIBUTIONS

4.01 Welfare Benefits. Welfare Benefits shall be provided directly from the assets of the Trust or by the purchase of group policies of insurance in accordance with this Agreement. No Welfare Benefits will be paid directly by any Participating Employer, and no Participant shall be entitled to any benefits other than those provided by the Trust assets or the policies of group insurance. Participating Employers may adopt some or all of the Welfare Benefits, as evidenced in its Participation Agreement.

4.02 Payment of Contributions. Each Participating Employer shall pay to the Trust the amount of contributions required to maintain Welfare Benefits coverage for such Participating Employer's Participants in the amounts and at the times described in the Participation Agreement. Depending on the Plan, contributions may be made wholly by the Participating Employer, partially by the Participating Employer and partially by Participants, or wholly by the Participants.

ARTICLE V.
SPONSOR

5.01 Powers and Duties of the Aerospace Group as Sponsor. The Aerospace Group shall act as Sponsor of this Trust. Each Participating Employer by execution of the Participation Agreement does thereby delegate the powers and duties of the Sponsor to the Trustees, any of which may be delegated at the discretion of the Trustees to the Administrator and Named Fiduciary.

ARTICLE VI.
TRUSTEES

6.01 Number, Nomination, and Election. There shall be at least three (3) Trustees. Each Trustee must be a principal in a Participating Employer. The Trustees shall be elected by a majority of the Participating Employers. Candidates for election as Trustee may be nominated by the Administrator and Named Fiduciary; by a majority of the incumbent Trustees (excluding those in the last year of their term); or by written petition submitted to the Administrator and Named Fiduciary and signed by the lesser of 10% of the Participating Employers or ten (10) Participating Employers. Each Trustee shall acknowledge, in writing, his or her acceptance of appointment as a Trustee.

6.02 Terms of Trustees.

(a) The term of the Trustees shall be three (3) years. At the end of a Trustee's term the Trustee may be nominated to serve an additional term as set forth in Section 6.01, subject to election by a majority of the Participating Employers. The terms of the Trustees are, and shall continue to be, staggered so that their terms of appointment do not expire in the same year.

(b) If a Trustee is removed or resigns prior to the expiration of his or her term of appointment, a successor Trustee shall be nominated by the Administrator and Named Fiduciary.
Fiduciary or by written petition submitted to the Administrator and Named Fiduciary and signed by the lesser of 10% of the Participating Employers or ten (10) Participating Employers, subject to confirmation by a majority vote of the Participating Employers, to serve out the remainder of the term of the Trustee who was removed or resigned; upon expiration of such term, the successor Trustee may be nominated as any candidate for election to serve an additional term, subject to election by a majority of the Participating Employers.

6.03 Resignation of a Trustee. A Trustee may resign at any time by giving thirty (30) days’ notice in writing to the Administrator and Named Fiduciary and the Trustees, after which that Trustee’s position shall become non-voting for the remainder of the thirty (30) days. The resigning Trustee and the other Trustees may, in a writing signed by or on behalf of both parties, waive the notice required by this provision. A successor shall be appointed as provided by Section 6.02(b).

6.04 Removal of a Trustee. The Administrator and Named Fiduciary shall remove a Trustee by delivery of a writing to the Trustees notifying them of both the proposed removal of the Trustee and a majority vote approving the Trustee removal by the Participating Employers. Alternatively, the Participating Employers shall remove a Trustee by delivery to the Administrator and Named Fiduciary and the Trustees of a writing signed by Participating Employers whose contributions during the preceding twelve (12) months totaled more than 50% of all contributions. The removal of any Trustee shall be effective thirty (30) days after receipt of the writing by the Trustees, after which that Trustee’s position shall become non-voting for the remainder of the thirty (30) days. A Trustee may be removed for any reason, including but not limited to missing three consecutive Trustee meetings without an approved absence by the chair of the Trustees. A successor shall be appointed as provided by Section 6.02(b).

6.05 Use of Contributions. The Trustees shall have all necessary power to receive contributions hereunder to pay reasonable expenses of the Trust and to pay Welfare Benefits and premiums on the group insurance policies owned by the Trust. The contributions shall be deposited in one or more banks or similar financial institutions supervised by the United States or a state pending the allocation of monies for Welfare Benefits or otherwise permitted hereunder. The Trust shall not be required to pay interest on Participating Employer or Participant contributions to the Trust. In the event that any Participating Employer shall fail or refuse to pay the Participating Employer’s or the Participants’ contributions due to the Trust on a timely basis, the Trustees shall notify the Insurer(s) to cancel and terminate the coverages afforded the Participating Employer’s Participants, and the Participating Employer shall be notified accordingly by the Insurer(s) and/or the Trustees.

6.06 Investment. From time to time funds held by the Trustees may exceed the immediate needs of the Trust. Additionally, dividends, returns of premium or other Welfare Benefits received from Insurers under the provisions of any contract of insurance shall become a part of the Trust assets and shall be subject to these provisions. Any excess funds held by the Trustees shall be used and controlled as follows:

(a) The Trustees may apply the same or any portion thereof to the payment of reasonable administration expenses and/or premiums on insurance policies held by the Trust in lieu of increasing required contributions hereunder; and
(b) The Trustees may invest any of such funds as provided by an investment policy adopted by the Trustees. Such investment policy shall generally favor, but not necessarily require, investments in obligations of the United States government, of any state or political subdivision thereof, obligations of solvent United States corporations, savings deposits or time certificates of deposit in any federally-insured bank (including a party in interest) and similar obligations, provided, however, that any such investment shall have a maturity date not exceeding three (3) years from the date of purchase.

6.07 Title. Title to all assets of the Trust shall be maintained in the name of the Trust, provided however, that for convenience in transferring negotiable securities, title may be held in the name of the Trust's custodian bank or nominee.

6.08 Record Keeping and Accounts. The Trustees or their delegates shall keep and maintain true and accurate books of account and records reflecting all sums received and all sums expended, together with all necessary and pertinent information connected with their administration of the Trust. Such books and records shall be subject to audit by the Administrator and Named Fiduciary as directed by the Trustees or, if required by law, to audit by an independent public accountant. Such books and records shall also be open to inspection by any Participating Employer upon demand at all reasonable times during business hours. Within ninety (90) days after the end of the Trust's year, the Trustees shall furnish to the Administrator and Named Fiduciary a written statement of account setting forth all receipts and disbursements.

6.09 Standard of Care. The Trustees shall discharge their duties with respect to the Trust solely in the interests of Participants and their beneficiaries, and

(a) For the exclusive purpose of providing benefits to Participants and their beneficiaries and defraying reasonable expenses of the Trust;

(b) With the care, skill, prudence and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims;

(c) To the extent the Trustees exercise their investment discretion pursuant to Section 6.06, by diversifying the investments of the Trust so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so; and

(d) In accordance with the terms of this Trust to the extent such terms are consistent with the Employee Retirement Income Security Act of 1974, as amended.

6.10 Compensation of Trustees. The Trustees shall be reimbursed for all reasonable expenses incurred by them in the administration of the Trust, which shall be paid from the Trust.

6.11 Settlement of Account. Upon resignation or removal of a Trustee, such Trustee shall have the right to a settlement of the Trustee's account which, unless the parties are unable to agree, shall be accomplished by agreement between such Trustee and the Administrator and Named Fiduciary. Upon such settlement, all right, title and interest of the Trustee in the assets of the Trust and all rights and duties under this Agreement shall vest in the successor trustee, and thereupon all future liability of the Trustee shall terminate; provided however, that the Trustee
shall execute, acknowledge and deliver all documents and written instruments which are necessary to transfer and convey the right, title and interest in the Trust assets and all rights and privileges to the successor.

6.12 Powers and Duties of the Trustees. The Trustees shall have all powers that are necessary or desirable in administering the Trust and any Plan, including but not limited to the following:

(a) Approve premium rates, select and change Insurers;

(b) Select and retain consultants and advisors to assist in Welfare Benefit design and improvement;

(c) Select and engage administrative assistance to maintain Plan records, collect and remit premiums, prepare and disseminate information and similar functions;

(d) Select and engage all other service providers necessary or desirable for administration of the Trust, including without limitation third party administrators, custodians, actuaries, attorneys, accountants, consultants, advisors, investment managers and other service providers;

(e) Establish procedures, requests for proposals, and criteria for selection and acceptance of service providers;

(f) Enter into arrangements for the provision of services, including the execution of contracts and other documents and payment from the Trust of reasonable fees, expenses and compensation;

(g) Establish and carry out a funding policy for the Trust. In establishing such policy, the short-term and long-term liquidity needs of the Trust shall be determined, to the extent possible, by considering among other factors the due date of premiums for insurance policies, Employee turnover, and contributions to be made by Participating Employees and Participants;

(h) Engage an independent qualified public accountant and authorize such accountant to conduct an annual financial examination of the Trust. The costs of such financial examination shall be paid by the Trust;

(i) Prepare and file with the Department of Labor the annual reports regarding the Trust, to the extent required by law. The costs of such audit and reports shall be paid by the Trust;

(j) Audit the payroll books and records of a Participating Employer, either directly or through a qualified public accountant at the expense of the Trust;

(k) Act upon any written letter, report, certificate or other document submitted by a Participating Employer or Participant, if such document appears to be genuine and to be
signed by the proper person or persons. The Trustees shall be under no duty to make any investigation or inquiry as to any statement contained in any such document;

(l) Prosecute and defend all legal actions, claims and proceedings initiated against the Trust or the Trustees relating to the Trust, and compromise, settle or release all such actions on such terms or conditions as the Trustees may determine;

(m) Select and engage other trustees and custodians, to safekeep assets and act in similar capacities, and pay reasonable fees and expenses from the Trust;

(n) Establish contribution levels required to maintain various coverages and a fair share of Trust expenses, and change the same from time to time in its discretion;

(o) Authorize disbursements from the Trust;

(p) Generally interpret the Trust and promulgate rules and regulations designed to result in consistent interpretation and administration; and

(q) Do all acts, take all actions and exercise all rights and privileges that it deems necessary to administer and carry out the purposes of this Trust.

Provided, however, that Participating Employers whose contributions during the preceding twelve (12) months totaled more than 50% of all contributions may direct the Trustees method and manner of conducting any particular action by written instruction delivered to the Trustees. Any such instruction shall provide a reasonable time for the Trustees to act, taking into account all facts and circumstances.

ARTICLE VII.
OTHER ADMINISTRATION

7.01 Powers and Duties of Plan Administrator and Named Fiduciary. The Administrator and Named Fiduciary of each Plan under the Trust shall have the authority to control and manage the operation and administration of such Plan. Each Participating Employer shall by execution of the Participation Agreement delegate to the Trustees certain specific responsibilities and functions described in Articles V and VI. Any function or responsibility not specifically delegated or allocated to the Trustees with respect to the administration of any Plan under the Trust shall be retained by the Participating Employer and carried out by the Administrator and Named Fiduciary. Without limiting the generality of the foregoing, the Administrator and Named Fiduciary of each Plan shall have the following responsibility and authority with respect to such Plan:

(a) Determining all questions relating to eligibility of Participants;

(b) Identifying Participants and enrolling them in the Plan, and notifying the Trustees accordingly;

(c) Deleting Participants from the Plan's enrollment when they become ineligible;
(d) Computing and certifying to the Trustees the contributions necessary to provide coverages elected;

(e) Preparing and disseminating to all Participants plan documents, summary plan descriptions, summary annual reports, financial statements, administration and other reporting forms and disclosures in such form and within such time periods as is required by law, and filing such reports and returns as are required by law;

(f) Distributing to all Participants certificates of insurance as required by law;

(g) Initiating claim procedures, including notification to the Trustees and/or Insurers, and providing the necessary forms to the claimant, and assist in the completion of such forms and submitting them to the Insurers and/or Trustees;

(h) Enrolling all eligible Participants and assisting in communicating Welfare Benefits and responding to Participant inquiries concerning claims and coverage;

(i) Maintaining all necessary records for the administration of the Plan other than those which the Trustees or their delegates have specifically agreed to maintain; and

(j) Interpreting of the provisions of the Plan and publication of such rules for regulation of the Plan as are deemed necessary and not inconsistent with the terms of this Agreement, the policies of insurance, or rules and regulations implemented by the Trustees.

7.02 Allocation and Delegation of Responsibility. The Administrator and Named Fiduciary of a Plan may delegate in writing to persons other than such Administrator and Named Fiduciary, the responsibility and authority to carry out fiduciary responsibilities of the Plan.

7.03 Bonding. Where required by law, the Administrator and Named Fiduciary of the Plan, and every person handling Plan funds, shall be bonded. It shall be the obligation of the Administrator and Named Fiduciary to insure compliance with the applicable bonding requirements. The Trustees shall not be responsible for ensuring that bonding requirements (other than those applicable to the Trustees) are complied with, and all of such responsibility is specifically allocated to the Administrator and Named Fiduciary of the Plan.

7.04 Claims Procedure. Procedures for claims review and appeal of denied claims under a Plan shall be as set forth in the applicable insurance contracts and summary plan descriptions for such Plan. There shall be no recourse to the Trust or the Trustees with respect to any such claims.

7.05 Funding Policy. The Administrator and Named Fiduciary shall establish and carry out a funding policy designed to assure the prompt payment of contributions to the Plan.

7.06 Standard of Care Imposed Upon Administrator and Named Fiduciary. The Administrator and Named Fiduciary for the Plan shall discharge its duties with respect to the Plan solely in the interest of the Participants and their beneficiaries, and
(a) For the exclusive purpose of providing benefits to Participants and their beneficiaries and defraying reasonable expenses of the Plan;

(b) With the care, skill, prudence and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims; and

(c) In accordance with the Plan provisions to the extent such provisions are consistent with the Employee retirement Income Security Act of 1974, as amended.

ARTICLE VIII.
MISCELLANEOUS

8.01 Amendment and Termination of Trust. This Trust may be amended or terminated by written resolution adopted by a majority of Trustees or by a writing delivered to the Trustees and signed by Participating Employers whose contributions during the preceding 12 months have totaled more than 50% of all contributions; provided, however, that no such resolution shall:

(a) Divert the Trust assets or any part thereof to a purpose other than as set forth in this Agreement;

(b) Relieve the Trustees from liability for acts in violation of the standard of care hereby imposed; or

(c) Modify Section 8.02 relating to Limitation of Rights to Trust fund.

Notice of any amendment or modification shall be promptly forwarded by the Trustees to the Administrator and Named Fiduciary, each Participating Employer and to any Insurer, and on request a copy shall be furnished to any such person.

8.02 Limitation of Rights to Trust Fund. Neither the Participating Employers, Participants, nor any other person shall have any right, title or interest in or to the Trust assets except as expressly provided herein; provided, however, that nothing herein contained shall impair or derogate from the right of any Participant or any person claiming by or through such Participant to the benefits provided by group policies purchased by the Trustees. No part of the assets or income of the Trust shall be used for or diverted to purposes other than for the exclusive benefit of Participants and their beneficiaries. No money, property or interest of any nature whatever in the Trust, the group insurance policies or any benefits or monies payable therefrom, shall be subject in any manner by any Participating Employer or Participant or beneficiary or person claiming through any of them to anticipation, garnishment, lien or charge, and any attempt to cause the same to be subject thereto shall be null and void to the extent allowed by law.

8.03 Disposition of Assets upon Termination of Trust. Upon dissolution or termination of this Trust, all assets remaining in the Trust after payment of all expenses incidental to the dissolution or termination shall be used to provide benefits for which this Trust was established. This arrangement shall continue until all funds in the Trust are exhausted.
8.04 **Withdrawal from Trust.** Any Participating Employer may withdraw from participation in the Trust by giving thirty (30) days written notice of intent to withdraw to the Trustees. With respect to insured benefits such withdrawal shall be effective as of the day immediately preceding the premium due date under the group insurance policy or policies insuring such Participating Employer’s Participants next following receipt of such notice by the Trustees. Upon withdrawal, the withdrawing Participating Employer and its Participants shall have no further rights whatever to the assets of the Trust or to any insurance provided thereunder, except as may otherwise be provided in the group insurance policy or policies which insured such Participants.

8.05 **Termination of Participating Employer.** The Trust shall be entitled to terminate, or decide not to renew, any Participating Employer from participation in the Trust upon the occurrence of any of the following events:

(a) Nonpayment of contributions;

(b) Fraud or other intentional misrepresentation of material fact by the Participating Employer;

(c) Noncompliance with material provisions of the Trust;

(d) The Trust ceases to offer any coverage in a geographic area; or,

(e) There is no longer any individual enrolled through the Participating Employer who lives, resides, or works in the service area of a network plan offered by the Trust and the Trust applies this paragraph uniformly without regard to the claims experience of Participating Employer or any health status-related factor in relation to such individuals or their dependents;

provided, however, that the Participating Employer shall have received written notice of such event and failed to cure within ten (10) days after receipt of such notice.

8.06 **Indemnity.** Each Participating Employer, by execution of the Participation Agreement, does thereby indemnify and hold harmless the Trustees and the members of the Aerospace Group (the Indemnities) from any and all loss, damages or liability incurred in the course and scope of their respective duties as described in this Agreement, except those resulting from the Indemnities’ gross negligence, willful misconduct or dishonesty. In the event that the Indemnities are made a party to any legal proceeding of any kind or nature arising out of their respective duties hereunder, directly or indirectly, the Participating Employers jointly agree to indemnify and hold the Indemnities harmless from any and all liability and expenses (including reasonable attorneys’ fees) resulting therefrom. Any damages assessed or expenses required to be paid or incurred by reason of this indemnification shall be borne equally by the Participating Employers, unless it shall be determined that the damages, expenses or losses incurred result directly from the actions or inactions of a specific Participating Employer, its employees or agents. In such event, that specific Participating Employer shall be primarily responsible for payment, with other Participating Employers being responsible only in the event of the specific Participating Employer’s inability by reason of financial insolvency to respond.
8.07 Fidelity Bond. The Trustees, the Administrator and Named Fiduciary shall, where required by law, be bonded by a duly licensed corporate surety covering all misappropriations of funds and other assets. Such bond shall be in the amount required by law, and the premiums on such bond shall be paid by the Trustees from the Trust.

8.08 Fiduciary Insurance. The Trustees, the Administrator and Named Fiduciary, and any other officers or employees exercising discretion in the management of the Plan or its assets shall be entitled to fiduciary insurance. The cost of such insurance shall be borne by the Trust, but such insurance shall permit recourse by the Insurer against the fiduciary. The cost of any nonrecourse endorsement shall not be borne by the Trust.

8.09 No Legal or Equitable Right. Neither the establishment of the Trust nor the payment of any Welfare Benefits shall be construed as giving to any Participant any legal or equitable right against the Participating Employers, the Trustees, the Administrator and Named Fiduciary, or any fiduciary, except as provided in this Agreement. The terms of employment of any Employee shall be in no way affected by this Trust, nor shall this Trust be construed to guarantee or extend the employment of any Employee.

8.10 Severability; Construction. If any provision of this Trust is held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Trust, but this Agreement shall be construed and enforced as if such provisions had never been included. Whenever used in this Agreement, the masculine gender shall include other genders as well, and singular usage shall include plural usage, as the context may require. Headings and numbers in this Trust are included for convenience of reference only.

8.11 Governing Law. This Trust shall, to the extent applicable, be construed and enforced in accordance with the Employee Retirement Income Security Act of 1974, as amended, and the laws of the State of Washington.
8.12 Entire Agreement. This Agreement and the Participation Agreements constitute the entire agreement between the Participating Employers and the Trustees, and shall not be amended except in writing between the parties hereto.

EXECUTED this 17th day of December, 2013.

Adoption of Trust Agreement: Appointment of Trustee & Understanding of the Terms of Selection and Participation:

Understanding of the Terms & Provisions of Participation:

The undersigned Employer agrees to adhere to the terms, conditions and limitations of coverage as set forth in the health service contracts, insurance.
services, contracts, certificates of insurance issued by each of the respective carriers that are contracted with the Trust. The employer does hereby accept the Trust Agreement, agrees to abide by its terms, and designates and appoints the undersigned Group Representative as a Trustee of the Trust. The employer understands that information collected in connection with administration of this benefit plan may be used to bring to attention health products or services that might be valuable to all qualified employees. The employer recognizes the employee's authorization to deduct from their earnings the amount, if any, for the coverage selected.

Plan Administrator The undersigned Employer agrees that Business Health Trust shall act as a plan administrator for the Trust and by the Plans, and that it may provide or select service providers to provide any of the duties in Sections 6.12 or 7.01 of the Trust Agreement.

Administrator and Named Fiduciary The undersigned Employer agrees that the Administrator and Named Fiduciary of the Plans provided through the Trust shall be Trustees and the Administrator and Named Fiduciary shall have the authority to control and manage the operation and administration of the Plans as described in the trust agreement.

Premium The undersigned Employer acknowledges and agrees that full payment of premium to the Trust is due on the first day of the month for which coverage is purchased, that any payment of premium received by the Trust after the tenth day of the month is late as established in the Group Administrative Guide and subject to a late fee. Any premium received by the Trust more than 30 days after the due date will be returned to the undersigned Employer and the Employer's group life insurance and health coverage through the Trust will be terminated as of the last day of the last month for which full payment was timely received. Participation in the Trust may be limited to employer's that participate in certain associations. Those associations may charge a service fee to the Employer as a condition to participating in the benefits offered through the Trust which shall not be paid out of plan assets but shall be paid solely by the participating Employer.

Rascislion The undersigned Employer acknowledges and agrees that once its application has been approved and accepted by the Trust, any request to rescind its application must be made in writing and must be received by the Trust not later than the close of business on the last business day at least 48 hours before the effective date of coverage under the Trust. If a proper request to rescind is not received timely, the Trust will not refund any premiums or deposits and the coverage will be in effect as approved and accepted by the Trust.

Termination This Adoption Agreement may be terminated by the undersigned Employer, which may withdraw from participation in the Trust by giving thirty (30) days written notice of intent to withdraw to the Trustees in accordance with Section 8.04 of the Trust Agreement. Such Employer shall have the rights and duties specified therein. This Agreement may be terminated by the Trust, in the event that The undersigned Employer (a) shall fail or refuse to pay contributions due to the Trust in accordance with Section 8.05 of the Trust Agreement, or (b) shall be in breach of any of its other obligations under the Trust Agreement or this Adoption Agreement, which breach shall not have been cured within ten (10) days after The undersigned Employer receipt of written notice thereof.

Indemnity The undersigned Employer does hereby indemnify and hold harmless the Trustees, Sponsor, and the Administrator and Named Fiduciary from any and all loss, damages or liability incurred in the course and scope of their respective duties as described in this Agreement, except those resulting from their gross negligence, willful misconduct or dishonesty. In the event that the Trustees, Sponsor or the Administrator and Named Fiduciary are made a party to any legal proceeding of any kind or nature arising out of their respective duties hereunder, directly or indirectly, the undersigned Employer agrees to indemnify and hold harmless from any and all liability and expenses (including reasonable attorneys' fees) resulting there from. Any damages assessed or expenses required to be paid or incurred by reason of this indemnification shall be borne equally by all Employers, unless it shall be determined that the damages, expenses or losses incurred result directly from the actions or inactions of a specific Employer, its employees or producer. In such event, that specific Employer shall be primarily responsible for payment, with other Employer being responsible only in the event of the specific Employer's inability by reason of financial insolvency to respond.

Governing Law This Agreement shall be construed and enforced in accordance with ERISA and, to the extent applicable, the laws of the State of Washington.

I have provided these answers as part of the application procedure required by the insurer to enroll in coverage. I agree, acknowledge, and attest that all information completed on this form is true, correct, and complete. I understand that the insurer will rely on each answer in making coverage and rating determinations. If the insurer continues the contract with the Group after untrue, incorrect, or incomplete information is found to have been provided, and if as a result of correcting false information the Group no longer qualifies for the Rate quoted, I understand that the insurer, will have the right to adjust the rates to the appropriate level retroactive to the date the misrepresentation occurred, and the Group will be required to pay the Rate adjustment within 30 days of the date of notice by the insurer. It is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits. In addition, the insurer will have the right to collect any claims payments or other damages.

In Re: Aerospace Industry Health Trust

Dear Mr. Marcell:

First, I’d like to thank you for your assistance in the effort we’ve made to analyze your association membership in the context of your insurance benefits vehicle to determine whether the membership constitutes an “employer” under 29 USCS 1002 (5).

Attached is a copy of the list of occupational categories we have agreed constitute a single industry. Also attached is a copy of the Trust Agreement governing the insurance vehicle which we have agreed provides for the employer members included in the occupational categories list to control the insurance vehicle. These documents should be provided to your carrier, as they will be needed for your plan filings.

If you have any questions, please let me know. Thank you again for your cooperation in this effort.

Very truly yours,

Carol Suren
Deputy Commissioner, Legal Affairs

Re: Agriculture Industry Health Trust Agreement

Dear Jason:

Thank you for the opportunity to review the above-referenced agreement and list of eligible business classifications, copies of which are attached.

Based upon my review of the attached documents, I am advising our Rates and Forms Division of my view that this trust may be considered an "employer" under 29 USCS 1002(5) for purposes of the OIC's review of health carrier filings pertaining to the trust.

Very truly yours,

Charles Brown
Acting Deputy Legal Affairs

Enclosures

Cc: Beth Berendt
AGRICULTURE INDUSTRY HEALTH TRUST AGREEMENT

THIS AGRICULTURE INDUSTRY HEALTH TRUST AGREEMENT (this "Agreement") is entered into by and among the initial Participating Employers (the "Agriculture Group") as the Sponsor, and the undersigned Trustees.

ARTICLE I.
DECLARATION OF TRUST

1.01 Purpose. The purpose of this Agreement is to provide a trust under which the Eligible Employers may make certain Welfare Benefits available for their Participants, through group insurance or otherwise.

1.02 Establishment of Trust. The Agriculture Group establishes this trust as of October 1, 2014, to be known as the Agriculture Industry Health Trust (the "Trust"), which is intended to be a tax-exempt trust under Internal Revenue Code section 501(c)(9). The Trustees, who have signed this Agreement, hereby accept the appointment as Trustees for the Trust and agree to be bound by the terms and conditions of this Trust Agreement and the Participation Agreements attached hereto as Exhibit A and incorporated by reference herein.

1.03 Term. This Trust Agreement shall be effective as of October 1, 2014, and shall continue indefinitely, unless terminated in accordance with Section 8.01.

ARTICLE II.
DEFINITIONS

2.01 "Administrator and Named Fiduciary" of any Plan provided under the Trust means that person or persons selected by the Participating Employer in the Participation Agreement to exercise the authority granted pursuant to Article VII, unless otherwise indicated by the Participating Employer.

2.02 "Eligible Employer" means employers in Washington State, provided such employer has as its principal business purpose engaging in the agriculture industry and is included in the industry classifications described in Exhibit B, attached hereto and incorporated by reference herein.

2.03 "Employee" means any individual employed by an Eligible Employer (or who was so employed, but who is subsequently laid off, is terminated or retires).

2.04 "Insurer(s)" means the insurance carrier or carriers selected by the Trustees to issue policies to the Trust to insure benefits provided under a Plan.

2.05 "Participant(s)" means Employees, their dependents and retirees who are specified as eligible for Welfare Benefits by a Participating Employer, pursuant to Article III.
2.06 "Participation Agreement" means the Participation Agreement between any Eligible Employer and the Trust substantially in the form of Exhibit A attached hereto and incorporated by reference.

2.07 "Participating Employer" means any Eligible Employer that is an employer of common-law employees and has executed a Participation Agreement.

2.08 "Plan" means any employee welfare benefits plan created and administered for the benefit of Participants which provides Welfare Benefits covered by this Trust.

2.09 "Sponsor" means the Agriculture Group.

2.10 "Trustee(s)" means those persons appointed in accordance with Article VI, and their duly appointed or elected successors.

2.11 "Welfare Benefits" means the employee welfare benefits specified by the Trustees from time to time, including but not limited to medical, dental, surgical or hospital care or benefits in the event of sickness, accident, disability, death or unemployment. Such Welfare Benefits shall be evidenced either by contracts of insurance or, with respect to uninsured plans, if any, by plan documents.

ARTICLE III.

PARTICIPATING EMPLOYERS AND PARTICIPANTS

3.01 Eligible Employers. Any Eligible Employer that is an employer of common-law employees may elect to become a Participating Employer hereunder by executing a Participation Agreement. In such Participation Agreement, the Eligible Employer will agree to be bound by the terms and conditions of this Agreement, to make contributions to pay for Welfare Benefits to be provided for its Participants, and to adopt such Welfare Benefits. The Welfare Benefits to be provided and the persons entitled to them shall be as selected by the Participating Employer in its Participation Agreement, and subject to its terms.

3.02 Participants. Subject to applicable insurance laws and regulations and the rules of the Trust, each Participating Employer shall select those of its Employees, dependents and/or retirees who shall be eligible for Welfare Benefits. Generally, all Employees or all Employees of a class or classes determined by conditions pertaining to their employment must be eligible to participate in the particular Welfare Benefits selected by the Participating Employer. Eligibility requirements and other classifications need not be uniform among the various Participating Employers.

3.03 Information. Each Participating Employer agrees to provide such information, including payroll information and data, to the Trust regarding such Participating Employer’s Participants and Employees of any control group in which any Participating Employer may be a member, as shall be determined by the Trustees to be necessary for administration of the Trust and the Plans. Each Participating Employer shall provide such information at such times and in such manner as the Trustees or their designees may specify from time to time.
ARTICLE IV.

BENEFITS AND CONTRIBUTIONS

4.01 Welfare Benefits. Welfare Benefits shall be provided directly from the assets of the Trust or by the purchase of group policies of insurance in accordance with this Agreement. No Welfare Benefits will be paid directly by any Participating Employer, and no Participant shall be entitled to any benefits other than those provided by the Trust assets or the policies of group insurance. Participating Employers may adopt some or all of the Welfare Benefits, as evidenced in its Participation Agreement.

4.02 Payment of Contributions. Each Participating Employer shall pay to the Trust the amount of contributions required to maintain Welfare Benefits coverage for such Participating Employer’s Participants in the amounts and at the times described in the Participation Agreement. Depending on the Plan, contributions may be made wholly by the Participating Employer, partially by the Participating Employer and partially by Participants, or wholly by the Participants.

ARTICLE V.

SPONSOR

5.01 Powers and Duties of the Agriculture Group as Sponsor. The Agriculture Group shall act as Sponsor of this Trust. Each Participating Employer by execution of the Participation Agreement does thereby delegate the powers and duties of the Sponsor to the Trustees, any of which may be delegated at the discretion of the Trustees to the Administrator and Named Fiduciary.

ARTICLE VI.

TRUSTEES

6.01 Number, Nomination, and Election. There shall be three (3) Trustees. Each Trustee must be a principal in a Participating Employer. The Trustees shall be elected by a majority of the Participating Employers. Candidates for election as Trustee may be nominated by the Administrator and Named Fiduciary; by a majority of the incumbent Trustees (excluding those in the last year of their term); or by written petition submitted to the Administrator and Named Fiduciary and signed by the lesser of 10% of the Participating Employers or ten (10) Participating Employers. Each Trustee shall acknowledge, in writing, his or her acceptance of appointment as a Trustee.

6.02 Terms of Trustees.

(a) The term of the Trustees shall be three (3) years. At the end of a Trustee’s term the Trustee may be nominated to serve an additional term as set forth in Section 6.01, subject to election by a majority of the Participating Employers. The terms of the Trustees are, and shall continue to be, staggered so that their terms of appointment do not expire in the same year.
If a Trustee is removed or resigns prior to the expiration of his or her term of appointment, a successor Trustee shall be nominated by the Administrator and Named Fiduciary or by written petition submitted to the Administrator and Named Fiduciary and signed by the lesser of 10% of the Participating Employers or ten (10) Participating Employers, subject to confirmation by a majority vote of the Participating Employers, to serve out the remainder of the term of the Trustee who was removed or resigned; upon expiration of such term, the successor Trustee may be nominated as any candidate for election to serve an additional term, subject to election by a majority of the Participating Employers.

6.03 Resignation of a Trustee. A Trustee may resign at any time by giving thirty (30) days’ notice in writing to the Administrator and Named Fiduciary and the Trustees, after which that Trustee’s position shall become non-voting for the remainder of the thirty (30) days. The resigning Trustee and the other Trustees may, in a writing signed by or on behalf of both parties, waive the notice required by this provision. A successor shall be appointed as provided by Section 6.02(b).

6.04 Removal of a Trustee. The Administrator and Named Fiduciary shall remove a Trustee by delivery of a writing to the Trustees notifying them of both the proposed removal of the Trustee and a majority vote approving the Trustee removal by the Participating Employers. Alternatively, the Participating Employers shall remove a Trustee by delivery to the Administrator and Named Fiduciary and the Trustees of a writing signed by Participating Employers whose contributions during the preceding twelve (12) months totaled more than 50% of all contributions. The removal of any Trustee shall be effective thirty (30) days after receipt of the writing by the Trustees, after which that Trustee’s position shall become non-voting for the remainder of the thirty (30) days. A Trustee may be removed for any reason, including but not limited to missing three consecutive Trustee meetings without an approved absence by the chair of the Trustees. A successor shall be appointed as provided by Section 6.02(b).

6.05 Use of Contributions. The Trustees shall have all necessary power to receive contributions hereunder to pay reasonable expenses of the Trust and to pay Welfare Benefits and premiums on the group insurance policies owned by the Trust. The contributions shall be deposited in one or more banks or similar financial institutions supervised by the United States or a state pending the allocation of monies for Welfare Benefits or otherwise permitted hereunder. The Trust shall not be required to pay interest on Participating Employer or Participant contributions to the Trust. In the event that any Participating Employer shall fail or refuse to pay the Participating Employer’s or the Participants’ contributions due to the Trust on a timely basis, the Trustees shall notify the Insurer(s) to cancel and terminate the coverages afforded the Participating Employer’s Participants, and the Participating Employer shall be notified accordingly by the Insurer(s) and/or the Trustees.

6.06 Investment. From time to time funds held by the Trustees may exceed the immediate needs of the Trust. Additionally, dividends, returns of premium or other Welfare Benefits received from Insurers under the provisions of any contract of insurance shall become a part of the Trust assets and shall be subject to these provisions. Any excess funds held by the Trustees shall be used and controlled as follows:
I
(a) The Trustees may apply the same or any portion thereof to the payment of
reasonable administration expenses and/or premiums on insurance policies held by the Trust in
lieu of increasing required contributions hereunder; and

(b) The Trustees may invest any of such funds as provided by an investment
policy adopted by the Trustees. Such investment policy shall generally favor, but not necessarily
require, investments in obligations of the United States government, of any state or political
subdivision thereof, obligations of solvent United States corporations, savings deposits or time
certificates of deposit in any federally-insured bank (including a party in interest) and similar
obligations, provided, however, that any such investment shall have a maturity date not
exceeding three (3) years from the date of purchase.

6.07 Title. Title to all assets of the Trust shall be maintained in the name of the Trust,
provided however, that for convenience in transferring negotiable securities, title may be held in
the name of the Trust's custodian bank or nominee.

6.08 Record Keeping and Accounts. The Trustees or their delegates shall keep and
maintain true and accurate books of account and records reflecting all sums received and all
sums expended, together with all necessary and pertinent information connected with their
administration of the Trust. Such books and records shall be subject to audit by the
Administrator and Named Fiduciary as directed by the Trustees or, if required by law, to audit by
an independent public accountant. Such books and records shall also be open to inspection by
any Participating Employer upon demand at all reasonable times during business hours. Within
ninety (90) days after the end of the Trust's year, the Trustees shall furnish to the Administrator
and Named Fiduciary a written statement of account setting forth all receipts and disbursements.

6.09 Standard of Care. The Trustees shall discharge their duties with respect to the
Trust solely in the interests of Participants and their beneficiaries, and

(a) For the exclusive purpose of providing benefits to Participants and their
beneficiaries and defraying reasonable expenses of the Trust;

(b) With the care, skill, prudence and diligence under the circumstances then
prevailing that a prudent man acting in a like capacity and familiar with such matters would use
in the conduct of an enterprise of like character and with like aims;

(c) To the extent the Trustees exercise their investment discretion pursuant to
Section 6.06, by diversifying the investments of the Trust so as to minimize the risk of large
losses, unless under the circumstances it is clearly prudent not to do so; and

(d) In accordance with the terms of this Trust to the extent such terms are
consistent with the Employee Retirement Income Security Act of 1974, as amended.

6.10 Compensation of Trustees. The Trustees shall be reimbursed for all reasonable
expenses incurred by them in the administration of the Trust, which shall be paid from the Trust.

6.11 Settlement of Account. Upon resignation or removal of a Trustee, such Trustee
shall have the right to a settlement of the Trustee's account which, unless the parties are unable.
to agree, shall be accomplished by agreement between such Trustee and the Administrator and
Named Fiduciary. Upon such settlement, all right, title and interest of the Trustee in the assets of
the Trust and all rights and duties under this Agreement shall vest in the successor trustee, and
thereupon all future liability of the Trustee shall terminate; provided however, that the Trustee
shall execute, acknowledge and deliver all documents and written instruments which are
necessary to transfer and convey the right, title and interest in the Trust assets and all rights and
privileges to the successor.

6.12 Powers and Duties of the Trustees. The Trustees shall have all powers that are
necessary or desirable in administering the Trust and any Plan, including but not limited to the
following:

(a) Approve premium rates, select and change Insurers;

(b) Select and retain consultants and advisors to assist in Welfare Benefit
   design and improvement;

(c) Select and engage administrative assistance to maintain Plan records,
   collect and remit premiums, prepare and disseminate information and similar functions;

(d) Select and engage all other service providers necessary or desirable for
   administration of the Trust, including without limitation third party administrators, custodians,
   actuaries, attorneys, accountants, consultants, advisors, investment managers and other service
   providers;

(e) Establish procedures, requests for proposals, and criteria for selection and
   acceptance of service providers;

(f) Enter into arrangements for the provision of services, including the
   execution of contracts and other documents and payment from the Trust of reasonable fees,
   expenses and compensation;

(g) Establish and carry out a funding policy for the Trust. In establishing such
   policy, the short-term and long-term liquidity needs of the Trust shall be determined, to the
   extent possible, by considering among other factors the due date of premiums for insurance
   policies, Employee turnover, and contributions to be made by Participating Employees and
   Participants;

(h) Engage an independent qualified public accountant and authorize such
   accountant to conduct an annual financial examination of the Trust. The costs of such financial
   examination shall be paid by the Trust;

(i) Prepare and file with the Department of Labor the annual reports
   regarding the Trust, to the extent required by law. The costs of such audit and reports shall be
   paid by the Trust;

(j) Audit the payroll books and records of a Participating Employer, either
directly or through a qualified public accountant at the expense of the Trust;
(k) Act upon any written letter, report, certificate or other document submitted by a Participating Employer or Participant, if such document appears to be genuine and to be signed by the proper person or persons. The Trustees shall be under no duty to make any investigation or inquiry as to any statement contained in any such document;

(l) Prosecute and defend all legal actions, claims and proceedings initiated against the Trust or the Trustees relating to the Trust, and compromise, settle or release all such actions on such terms or conditions as the Trustees may determine;

(m) Select and engage other trustees and custodians, to safekeep assets and act in similar capacities, and pay reasonable fees and expenses from the Trust;

(n) Establish contribution levels required to maintain various coverages and a fair share of Trust expenses, and change the same from time to time in its discretion;

(o) Authorize disbursements from the Trust;

(p) Generally interpret the Trust and promulgate rules and regulations designed to result in consistent interpretation and administration; and

(q) Do all acts, take all actions and exercise all rights and privileges that it deems necessary to administer and carry out the purposes of this Trust.

Provided, however, that Participating Employers whose contributions during the preceding twelve (12) months totaled more than 50% of all contributions may direct the Trustees method and manner of conducting any particular action by written instruction delivered to the Trustees. Any such instruction shall provide a reasonable time for the Trustees to act, taking into account all facts and circumstances.

ARTICLE VII,

OTHER ADMINISTRATION

7.01 Powers and Duties of Plan Administrator and Named Fiduciary. The Administrator and Named Fiduciary of each Plan under the Trust shall have the authority to control and manage the operation and administration of such Plan. Each Participating Employer shall by execution of the Participation Agreement delegate to the Trustees certain specific responsibilities and functions described in Articles V and VI. Any function or responsibility not specifically delegated or allocated to the Trustees with respect to the administration of any Plan under the Trust shall be retained by the Participating Employer and carried out by the Administrator and Named Fiduciary. Without limiting the generality of the foregoing, the Administrator and Named Fiduciary of each Plan shall have the following responsibility and authority with respect to such Plan:

(a) Determining all questions relating to eligibility of Participants;

(b) Identifying Participants and enrolling them in the Plan, and notifying the Trustees accordingly;
(c) Deleting Participants from the Plan's enrollment when they become ineligible;

(d) Computing and certifying to the Trustees the contributions necessary to provide coverages elected;

(e) Preparing and disseminating to all Participants plan documents, summary plan descriptions, summary annual reports, financial statements, administration and other reporting forms and disclosures in such form and within such time periods as is required by law, and filing such reports and returns as are required by law;

(f) Distributing to all Participants certificates of insurance as required by law;

(g) Initiating claim procedures, including notification to the Trustees and/or Insurers, and providing the necessary forms to the claimant, and assist in the completion of such forms and submitting them to the Insurers and/or Trustees;

(h) Enrolling all eligible Participants and assisting in communicating Welfare Benefits and responding to Participant inquiries concerning claims and coverage;

(i) Maintaining all necessary records for the administration of the Plan other than those which the Trustees or their delegates have specifically agreed to maintain; and

(j) Interpreting of the provisions of the Plan and publication of such rules for regulation of the Plan as are deemed necessary and not inconsistent with the terms of this Agreement, the policies of insurance, or rules and regulations implemented by the Trustees.

7.02 Allocation and Delegation of Responsibility. The Administrator and Named Fiduciary of a Plan may delegate in writing to persons other than such Administrator and Named Fiduciary, the responsibility and authority to carry out fiduciary responsibilities of the Plan.

7.03 Bonding. Where required by law, the Administrator and Named Fiduciary of the Plan, and every person handling Plan funds, shall be bonded. It shall be the obligation of the Administrator and Named Fiduciary to insure compliance with the applicable bonding requirements. The Trustees shall not be responsible for ensuring that bonding requirements (other than those applicable to the Trustees) are complied with, and all of such responsibility is specifically allocated to the Administrator and Named Fiduciary of the Plan.

7.04 Claims Procedure. Procedures for claims review and appeal of denied claims under a Plan shall be as set forth in the applicable insurance contracts and summary plan descriptions for such Plan. There shall be no recourse to the Trust or the Trustees with respect to any such claims.

7.05 Funding Policy. The Administrator and Named Fiduciary shall establish and carry out a funding policy designed to assure the prompt payment of contributions to the Plan.
7.06 Standard of Care Imposed Upon Administrator and Named Fiduciary. The Administrator and Named Fiduciary for the Plan shall discharge its duties with respect to the Plan solely in the interest of the Participants and their beneficiaries, and

(a) For the exclusive purpose of providing benefits to Participants and their beneficiaries and defraying reasonable expenses of the Plan;

(b) With the care, skill, prudence and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims; and

(c) In accordance with the Plan provisions to the extent such provisions are consistent with the Employee retirement Income Security Act of 1974, as amended.

ARTICLE VIII.

MISCELLANEOUS

8.01 Amendment and Termination of Trust. This Trust may be amended or terminated by written resolution adopted by a majority of Trustees or by a writing delivered to the Trustees and signed by Participating Employers whose contributions during the preceding 12 months have totaled more than 50% of all contributions; provided, however, that no such resolution shall:

(a) Divert the Trust assets or any part thereof to a purpose other than as set forth in this Agreement;

(b) Relieve the Trustees from liability for acts in violation of the standard of care hereby imposed; or

(c) Modify Section 8.02 relating to Limitation of Rights to Trust fund.

Notice of any amendment or modification shall be promptly forwarded by the Trustees to the Administrator and Named Fiduciary, each Participating Employer and to any Insurer, and on request a copy shall be furnished to any such person.

8.02 Limitation of Rights to Trust Fund. Neither the Participating Employers, Participants, nor any other person shall have any right, title or interest in or to the Trust assets except as expressly provided herein; provided, however, that nothing herein contained shall impair or derogate from the right of any Participant or any person claiming by or through such Participant to the benefits provided by group policies purchased by the Trustees. No part of the assets or income of the Trust shall be used for or diverted to purposes other than for the exclusive benefit of Participants and their beneficiaries. No money, property or interest of any nature whatever in the Trust, the group insurance policies or any benefits or monies payable therefrom, shall be subject in any manner by any Participating Employer or Participant or beneficiary or person claiming through any of them to anticipation, garnishment, lien or charge, and any attempt to cause the same to be subject theretoo shall be null and void to the extent allowed by law.
8.03 Disposition of Assets upon Termination of Trust. Upon dissolution or termination of this Trust, all assets remaining in the Trust after payment of all expenses incidental to the dissolution or termination shall be used to provide benefits for which this Trust was established. This arrangement shall continue until all funds in the Trust are exhausted.

8.04 Withdrawal from Trust. Any Participating Employer may withdraw from participation in the Trust by giving thirty (30) days written notice of intent to withdraw to the Trustees. With respect to insured benefits such withdrawal shall be effective as of the day immediately preceding the premium due date under the group insurance policy or policies insuring such Participating Employer's Participants next following receipt of such notice by the Trustees. Upon withdrawal, the withdrawing Participating Employer and its Participants shall have no further rights whatever to the assets of the Trust or to any insurance provided thereunder, except as may otherwise be provided in the group insurance policy or policies which insured such Participants.

8.05 Termination of Participating Employer. The Trust shall be entitled to terminate, or decide not to renew, any Participating Employer from participation in the Trust upon the occurrence of any of the following events:

(a) Nonpayment of contributions;
(b) Fraud or other intentional misrepresentation of material fact by the Participating Employer;
(c) Noncompliance with material provisions of the Trust;
(d) The Trust ceases to offer any coverage in a geographic area; or,
(e) There is no longer any individual enrolled through the Participating Employer who lives, resides, or works in the service area of a network plan offered by the Trust and the Trust applies this paragraph uniformly without regard to the claims experience of Participating Employer or any health status-related factor in relation to such individuals or their dependents;

provided, however, that the Participating Employer shall have received written notice of such event and failed to cure within ten (10) days after receipt of such notice.

8.06 Indemnity. Each Participating Employer, by execution of the Participation Agreement, does thereby indemnify and hold harmless the Trustees and the members of the Agriculture Group (the Indemnitees) from any and all loss, damages or liability incurred in the course and scope of their respective duties as described in this Agreement, except those resulting from the Indemnitees' gross negligence, willful misconduct or dishonesty. In the event that the Indemnitees are made a party to any legal proceeding of any kind or nature arising out of their respective duties hereunder, directly or indirectly, the Participating Employers jointly agree to indemnify and hold the Indemnitees harmless from any and all liability and expenses (including reasonable attorneys' fees) resulting therefrom. Any damages assessed or expenses required to be paid or incurred by reason of this indemnification shall be borne equally by the Participating Employers, unless it shall be determined that the damages, expenses or losses incurred result
directly from the actions or inactions of a specific Participating Employer, its employees or agents. In such event, that specific Participating Employer shall be primarily responsible for payment, with other Participating Employers being responsible only in the event of the specific Participating Employer's inability by reason of financial insolvency to respond.

8.07 Fidelity Bond. The Trustees, the Administrator and Named Fiduciary shall, where required by law, be bonded by a duly licensed corporate surety covering all misappropriations of funds and other assets. Such bond shall be in the amount required by law, and the premiums on such bond shall be paid by the Trustees from the Trust.

8.08 Fiduciary Insurance. The Trustees, the Administrator and Named Fiduciary, and any other officers or employees exercising discretion in the management of the Plan or its assets shall be entitled to fiduciary insurance. The cost of such insurance shall be borne by the Trust, but such insurance shall permit recourse by the Insurer against the fiduciary. The cost of any nonrecourse endorsement shall not be borne by the Trust.

8.09 No Legal or Equitable Right. Neither the establishment of the Trust nor the payment of any Welfare Benefits shall be construed as giving to any Participant any legal or equitable right against the Participating Employers, the Trustees, the Administrator and Named Fiduciary, or any fiduciary, except as provided in this Agreement. The terms of employment of any Employee shall be in no way affected by this Trust, nor shall this Trust be construed to guarantee or extend the employment of any Employee.

8.10 Severability; Construction. If any provision of this Trust is held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Trust, but this Agreement shall be construed and enforced as if such provisions had never been included. Whenever used in this Agreement, the masculine gender shall include other genders as well, and singular usage shall include plural usage, as the context may require. Headings and numbers in this Trust are included for convenience of reference only.

8.11 Governing Law. This Trust shall, to the extent applicable, be construed and enforced in accordance with the Employee Retirement Income Security Act of 1974, as amended, and the laws of the State of Washington.
8.12 Entire Agreement. This Agreement and the Participation Agreements constitute the entire agreement between the Participating Employers and the Trustees, and shall not be amended except in writing between the parties hereto.

EXECUTED this ___________ day of ______________, 2014.

October 28, 2014

Maud Daudon, President & CEO
Seattle Metropolitan Chamber of Commerce
1301 Fifth Avenue, Suite 1500
Seattle, WA 98101-2632

Dear Ms. Daudon and colleagues:

Thank you for your October 8, 2014 letter, sharing with me the important work the Seattle Metropolitan Chamber members have done for the community and for Washington state. I appreciate the value that organizations such as yours provide to employers in addition to offering health plans, including education, leadership and networking opportunities.

I also understand your concerns about the impact of federal health care reform on the Seattle Chamber’s ability to provide large-group coverage to member-employers, regardless of size. As you know, in 2011, I began working to provide clear direction to insurance carriers and their clients on the upcoming changes in federal law. That included providing guidance to associations like the Chamber that wished to pursue the ERISA exemption.

Your organization in particular has made substantial structural changes to satisfy the ERISA standards. My office has been working closely with the Chamber since 2012 on issues including industry code groupings and trust documents. However, even then we understood that the central issue was whether the reorganization of the Chamber into several separate industry groups with dedicated trusts would overcome the Bend Chamber of Commerce decision. As I shared with you in an email dated July 31, 2012, the U.S. Department of Labor’s Susan Rees shared that she did not believe the Seattle Chamber was capable of satisfying ERISA’s definition of “employer” even with the proposed structural changes.

We have continued to seek a more formal written response from the U.S. Department of Labor. Unfortunately, it has not yet been provided.

I hope our recent meeting on October 1 was useful to you in clarifying the information we need to complete our review of your association status. My staff continues to review the documentation you provided, and decisions will be communicated regarding the plans in the next few weeks.

Thank you again for your concern and interest.

Sincerely,

Mike Kreidler
Insurance Commissioner

ASSOC INDUSTRIES VS STATE OF WA OFC OF INS COMMISSIONER ETAL
No. 2007-02-00592-1

Dear Counsel:

Please find the enclosed Memorandum Decision on Plaintiffs' Motion for Summary Judgment and the Defendants' Cross-Motion for Summary Judgment. I have emailed a courtesy copy to each of you and the decision will be filed for record today.

Please don't hesitate to contact me if I can be of any further assistance.

Sincerely,

Ashley Koedding, Judicial Assistant to Kathleen M. O'Connor
Superior Court Judge

Enclosure
Cc: legal file

RECEIVED
AUG 29 2007
ASSOC. IND.
This matter came before the court for oral argument on June 8, 2007, on the Plaintiff's Motion for Summary Judgment and the Defendants' Cross-Motion for Summary Judgment. Both sides are asking the court for a ruling regarding the validity of Technical Assistance Advisory T06-07 (TAA 06-07) issued by the Office of the Insurance Commissioner (OIC) on December 15, 2006.

Both sides agree that this court has jurisdiction to decide the issue either under the Uniform Declaratory Judgment Act, RCW 7.24, or the Administrative Procedure Act, RCW 34.04.
34.05. Both sides also agree that summary judgment is the proper procedure to determine the validity of TAA 06-07.

Prior to oral argument the Plaintiffs' Motion to Strike a Thurston County Superior Court decision was granted as it constituted an "unpublished" decision.

**FACTS**

The facts are not in dispute. Plaintiffs are independent business associations which serve employer members. They make health insurance plans available to their small employer members. They are not insurance companies but the health plans they offer to their members are subject to OIC approval.

In 1995 the legislature enacted RCW 48.44.023(3) and RCW 48.44.024(2). RCW 48.44.024(2) is a statutory exception to RCW 48.44.023(3). Since that time Plaintiffs have offered insurance plans to their small employer members where the premium for individual employer members has been calculated using "experience rating". That is, the premium takes into consideration each employer’s claims experience and aggregated health history. This method is an exception to the community rating pooling requirements of RCW 48.44.023(3).

On December 15, 2006, the Office of the Insurance Commissioner issued TAA 06-07. This advisory indicated it was the OIC position that "(A)ny rating based on the health information of an individual member employee was prohibited."

**STATUTES/TAA 06-07**

RCW 48.44.023(3):

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The contractor shall develop its rates based on an adjusted community rate and may only vary the adjusted community rated for:
(i) Geographic area;
(ii) Family size;
(iii) Age; and
(iv) Wellness activities.

(i) Adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage.

RCW 48.44.024(2): (2) Employers purchasing health plans provided through associations ... are not small employers and the plans are not subject to RCW 48.44.023(3).

Technical Assistance Advisory T 06-07:
The Office of Insurance Commissioner (OIC) is issuing Technical Assistance Advisory (TAA) T - 06-07 to offer guidance on the nondiscrimination requirements that health insurance carriers must follow when rating member employers of association health plans (AHPs). The TAA applies to all AHP contracts issued or renewed on or after January 1, 2008.

Association health plans provide an important alternative for obtaining employer sponsored health insurance. Some plans, however, unlawfully discriminate against their members based on their health. Approximately 7 percent of association plans are in violation of the law by using health information to set rates for individual member employers. Rates must be based on the health of the entire association group. Any rating based on the health information of an individual member employer is prohibited. (emphasis in original)

ISSUES

1. Did the issuance of TA 06-07 violate APA rulemaking requirements?

2. Did the OIC violate the Washington State Constitution when it issued TA 06-06?

1. Did the issuance of TA 06-07 violate APA Rulemaking Requirements?

TA 06-07 is not a rule. In oral argument defense counsel conceded that it could not be enforced as a rule. TA 06-07 was issued under RCW 34.05.230(1). The statute permits a state agency to “advise the public of current opinions, approaches and likely courses of action” the agency may take in the future. It is advisory only. It is not subject to the rulemaking requirements of the APA.
2. Did the OIC violate the Washington State Constitution when it issued TA 06-06?

The basis for this claim by the Plaintiffs is their view that the OIC has violated the separation of powers doctrine by promulgating TA 06-07. In substance TA 06-07 treats the entire association as the group. Interestingly, both sides believe the language of RCW 48.44.023(3) and 48.44.024(2) is unambiguous and supports their diametrically opposing views.

The Plaintiffs approach the issue by emphasizing the fact that the legislature passed a specific exemption to RCW 48.44.023(3). From the Plaintiffs' perspective, TA 06-07, in effect, eviscerates the exception and now makes their plans subject to RCW 48.44.023(3). In their view this violates the separation of powers because the OIC, as an executive agency, does not have the power to enact legislation. Also, this particular legislation does not have a grant of authority from the legislature to the agency to make changes.

The Defendants argue that their approach is supported by Federal law which defines employer as "group or association of employers". CFR §144.103. How "group" is defined is key to Defendants argument. Use of individual employer's rating as the "group" is discriminatory and, arguably, a violation of Federal law. In addition, RCW 48.44.024, while providing an exemption, does not address how the association plan should be rated.

Defendants suggest that if there was no exemption the small employers would be in the small group rating pool, which is subject to community rating, instead of being pooled with their association(s). Thus under the exemption the rate calculation would be based upon the association's experience.

Both sides have asked the court to decide which interpretation of the statutes is correct. What information I have on legislative intent as well as the statutes themselves indicates that the legislature intended to exempt plaintiffs from RCW 48.44.023(3). The plaintiffs have been
operating under that understanding for over 12 years and have “experience rated” employer
members. The OIC did not officially disagree with plaintiff’s interpretation until the
promulgation of TA 06-07 in December 2006.

This court’s view is that the plaintiffs had a right to proceed on the statutory exemption.
Their interpretation of that exemption remained unchallenged for over a decade. While OIC can
issue technical advisories, they are not rules and are not enforceable. TA 06-07 amounts to a
major policy shift from the plaintiff’s perspective. Policy is made by the legislature. The
legislature should make the decision. More than a decade has past since the legislation was
enacted, if the legislature believes it is time for a change they will act.

The Plaintiff’s Motion For Summary Judgment is Granted.
