Tim Ward in response to an IFCA notice he received. The OIC has not received this notice so the attorney, Mr. Nicholson, was contacted via email letting him know that our office was never in receipt of the IFCA notice and asked if he had sent one. He had not and thought our office had pulled medical records. I asked that attorney if he would like someone from our Consumer advocacy to contact him with information on how to retrieve said information. There was no response.
