--	--

**RCW 48.30.015(8)(a)** - Twenty days prior to filing an action based on this section, a first party claimant must provide written notice of the basis for the cause of action to the insurer and office of the insurance commissioner. Notice may be provided by regular mail, registered mail, or certified mail with return receipt requested. Proof of notice by mail may be made in the same manner as prescribed by court rule or statute for proof of service by mail. The insurer and insurance commissioner are deemed to have received notice three business days after the notice is mailed.

**Insurance Company:** \_\_\_\_\_

**First Party Claimant:** \_\_\_\_\_

**Line of Insurance:** \_\_\_\_\_

**Reason for claim:**      RCW 48.30.015 (1)                      RCW 48.30.015 (5), (a) through (f)

*A cover sheet is not required however, without a cover sheet or clear identification of a notice under IFCA, it is possible your notice will not be recognized and recorded as such. Additionally, you may submit your written notice of the basis for the cause of action, but any additional supporting documents submitted to OIC are not required and will not be retained. All information provided to the OIC becomes subject to the Public Records Act. Please do not include any personal or confidential information such as medical records/information, social security numbers, banking information, driver's license information, etc.*
