Additional Information

This list is intended as an overview of Medicare Advantage plans available by county. There are many factors to consider before you enroll in a plan. For detailed information about plan benefits and costs, contact the plan. Plans can offer extra benefits. Most Medicare Advantage plans offer coverage for things that aren't covered by Original Medicare, like vision, hearing, dental and wellness programs (like gym memberships). Plans can now also cover more extra benefits than they have in the past, including services like transportation to doctor visits, over-the-counter drugs, adult day-care services, and other health-related services that promote your health and wellness. Check with the plan to see what benefits are offered and if you qualify.
