## Key to types of Medicare Advantage plans

**Local HMO:** A Health Maintenance Organization is available in certain counties only. In most HMOs, the plan pays for care only with doctors, specialists, or hospitals on the plan's list - except in an emergency.

**Local PPO:** A Preferred Provider Organization available in certain counties only. In most PPOs, you pay less if you use doctors or hospitals, and other providers that belong to the network. For an added cost, you can use out-of-network doctors, hospitals, and other providers.

**PFFS:** A Private Fee-for-Service Plan. In a PFFS, you can go to any Medicare-approved doctor or hospital that accepts the plan's payment. When you need care, always check with your doctor to see if he or she participates in the plan.

**HMO-POS:** An HMO plan with a Point-of-Service plan option. An HMO-POS option pays for care with doctors, providers, and hospitals outside the plan for an added cost.

**SNP:** Medicare "Special Needs" Plans may limit all or most of their membership to people:

- In certain long-term care facilities (like a nursing home); or
- Eligible for both Medicare and Medicaid.

Some plans may offer gym membership as an additional benefit. Check with the plan or go to: [silversneakers.com](http://silversneakers.com)

## Key to Drug Benefit Type

**Basic:** These plans offer basic coverage with standard deductible, copays, and coverage gap.

**Enhanced:** These plans may have higher monthly premiums than basic plans and may offer added benefits, such as no deductible, lower copayments, or some coverage during the coverage gap.

## Key to Abbreviations

**D:** Some dental coverage

**H:** Some hearing coverage

**V:** Some vision coverage

**\*\*MOOP:** Maximum Out of Pocket limit on enrollee spending that includes costs for all in-network Part A and Part B services.

**NA:** Not applicable
