A new window will open. You can check, or un-check boxes to select the amount of information that you want the document to display. This example has the suggested boxes to check. To get the formatted report to pop open, click on the Print button at the bottom of the page:

The formatted report will look something like this. You can easily print it to give to a client, or you can copy it and paste it into a Word document, which will be properly formatted and you can then attach it to an e-mail to send to a client:
