It also includes health care service contractors registered under chapter 48.44 RCW, health maintenance organizations registered under chapter 48.46 RCW, fraternal benefit societies registered under chapter 48.36A RCW, and self-funded multiple employer welfare arrangements authorized under chapter 48.125 RCW.

(2)(a) Each insurer must include with its annual statement, a statement from a qualified actuary, as defined in WAC 284-05-060, or as defined in subsection (4) of this section for domestic property and casualty insurers, or as defined in subsection (5) of this section for health care service contractors, health maintenance organizations, and self-funded multiple employer welfare arrangements authorized under chapter 48.125 RCW entitled "Statement of Actuarial Opinion," setting forth the actuary's opinion relating to the insurer's reserves and other actuarial items, prepared in accordance with the appropriate *Annual Statement Instructions* and *Accounting Practices and Procedures Manuals* adopted by the National Association of Insurance Commissioners. If an exemption is allowed by the *Annual Statement Instructions* and is approved by the domiciliary commissioner, an insurer shall be exempt from this requirement (unless the commissioner of Washington makes a specific finding, by order, bulletin, letter, or otherwise, that for a specific insurer, or one or more insurers, company compliance is necessary to carry out the commissioner's statutory responsibilities). A certified copy of the approved exemption must be filed with the annual statement in all jurisdictions in which the company is authorized.

(b) After December 31, 2014, statements of actuarial opinion for all domestic and foreign insurers must be filed electronically with the NAIC. The filing with the NAIC will

be deemed to be a filing with the commissioner. This includes the statement of actuarial opinion for the year ended December 31, 2014. Insurers must electronically transmit the statement of actuarial opinion, as described in (a) of this subsection, in PDF or other format as noted on the commissioner's website. The commissioner has the discretion to allow an insurer to file a statement of actuarial opinion electronically with the commissioner. The insurer must demonstrate that filing with the NAIC will create an undue financial hardship for the insurer. Applications for permission to not file with the NAIC must be received by the commissioner at least ninety days before the statement of actuarial opinion is due.

(i) Use a method of electronic signature verification that has been approved by the commissioner for use by the insurer; or

(ii) Include in the electronic filing an image of the original signature in PDF format as noted on the commissioner's website. This electronically filed document must contain a legally binding signature of the actuary and any person providing supporting documentation.
